Sir

I have the honor to submit herewith an application for a Superannuation pension, made by Goolam Mahomed alias Patchasail, 2nd Class District Moonsiff of Naraindavarthy in this Zillah, who has been certified by the ^{Surgeon} Garrison of Bellary to be disqualified for further service in consequence of old age, infirmity and impaired vision.

2. Goolam Mahomed, alias Patchasail, is a Mahomedan, of the Hunaffee sect, and is 72 years and 10 days old, and purposes to reside and draw his pension at Bellary. Goolam Mahomed, I beg to state, has

has served Government for the period of 50 years 11 months and 11 days, his first employment was in the capacity, it is believed, of sub meer Persian Moonshee of the late Zillah Court of Bellary, from the 15th January 1807, to the 1st September 1833, vizt 26 years 7 months and 16 days, but his employment in that capacity is not shewn in the records of the late Zillah Court, which only shew that he was first employed on the 15th January 1807, the particular employment not being stated. Goolam Mahomed was also employed as District Moonsiff of Tandmurry from the 1st September 1833 until the 13th August 1852, on which date a conditional pension was granted to him. On the 1st November 1853 he resumed his duties as 2nd Class District Moonsiff of Tandmurry on a salary of Rupees 150 a month, in consequence of a Medical Committee having pronounced him fit for further service. On the 21st January 1857, Goolam Mahomed was transferred to Narandamhery,

as District Moonsiff, in which Office he has continued to serve until the 16th ultimo on a salary of Rupees 150 per month, his entire period of service, as above stated, is 50 years 11 months and 13 days, and his services are supported, with the exception of his employment, as sub meer Persian Moonshee, by the records of this Court and the late Zillah Court. Goolam Mahomed has been on the receipt of a salary of Rupees 150 for the last 5 years and upwards.

3. The period of Goolam Mahomed's service entitles him, under the pension Rules, to a pension of one half of his present salary, and in consideration of his long service and the good character, which I believe that he has maintained, I recommend that he may be granted a pension of Rupees 75 a month, which is equal to one half the salary which he drew in his last situation, which was District Moonsiff of Narandamhery.

Referred to the Civil Auditor for the usual verification.
