From

Sir,

1. I have the honor to forward,
for the orders of Government, an Application
dated 18th March last from A. Lingasab
Chetty an Accountant in this Office, for a
superannuation Pension, supported by the
accompanying original Medical Certificate
granted to him by Dr J. W. Mudge,
Surgeon 2^d District.

Dated 30th March
1859.

2. Dr Mudge states that the
applicant "is suffering from General Debility
and defective Vision which render him per-
fectly unqualified for any further effective
service", and that there is no reasonable expecta-
tion of improvement from relaxation from duty
or from Medical treatment.

The Chief Secretary
to Government
C. P. D.

3

The applicant has actually served Government the period of ^{Years Months Days} 31- 9- 5. exclusive of the period noted in the margin, when he was unemployed, which is not of course included in the actual service. The Records

From 8 th Nov. 1837 to 9 th Oct. 1838.	7 th Mo. 2 nd 11.

of this Office do not show the cause of his having been left without employ for the first two periods, viz: from 8th November 1837 to 9th October 1838 and from 11th September to 23rd October 1849, but, from the accompanying original Affidavit made by Lingappa Chetty before Major W. I. Wilson, one of the Magistrates for the Town of Madras, agreeably to para 244-1 C-page 84, of the Unconvenanted servants' Vademecum, it would appear that he resigned his situation on the 8th November 1837 and was re-employed in this Office on the 10th October 1838, and that he was on leave on Private Affairs from 11th September to 23rd October 1849.

4. With regard to the latter period, viz: from 6th August to 15th November 1856.

13 B

I beg to state that, on the 6th August 1856 he applied for Pension, without furnishing the usual Medical Certificate. As he was unable to get the Certificate, and had some private affairs to attend to, he applied for leave until 15th November 1856, which was accordingly granted, a substitute on full pay was employed in his place during the period in question, viz: from 6th August to 15th November 1856.

5. The Applicant has completed the prescribed period of service to entitle him to Pension, and his general conduct during the time he was employed in this Office, was good. I therefore beg to submit a Register of Application in the usual Form, accompanied by a Statement of his services, and to recommend that Government will be pleased to sanction his retirement from the 1st Ultimo on a Pension of Rupees 15/ Fifteen per month, being equal to half his average salary for the last

last five years.

With reference to the Notification of Government dated 16th June 1857, publishing Extracts from two Reports of the Civil Auditor, I have the honor to state that it appears from the Office Records that Lingasab Chetty has not acted for any one, during the entire period of his services, - he has all along held a substantive appointment.

I have the honor to be
