Sir.

In reply to request contained in your letter of the 17<sup>th</sup> Instant No 37. I have the honor to forward a memo prepared in the <sup>same</sup> form as that which accompanied your letter under reply exhibiting also the delay of 16 months between the discharge of Sooba row Surfadar of the Sivanthoor Talook and the application to Government for gratuity which occurred in the Sub Division.

2. Two Surfdars, the above Sooba row and another named Rama Row, <sup>were</sup> dismissed on the same day the 21<sup>st</sup> August 1857. as <sup>being</sup> inefficient from old age and consequent infirmities and all the correspondence between this Office and the Talooks had reference to them both.

3. The two principal delays are observable between Cols: 7 & 8, cols: 10 & 11 and were caused by the absence of one or other of the parties from their usual places of residence and

and the consequent difficulty of procuring their  
attendance at the Salook &utcherry for the  
purpose of obtaining the several items of  
information necessary before submitting  
the final application for gratuity and I may  
mention that up to date I have been unable  
to get hold of the other Surfdar Rama Row.  
+ When at Srivatoor on Jema bundy, I was  
going over with him the orders unanswered  
on his file, the Sasildar verbally reported to  
me the difficulty he had experienced in  
getting hold of these two men.

Secretariat Public Department No 10, Lane  
directed to explain the cause of the  
delay in submitting an application  
for gratuity on behalf of Subbaram  
late Suroor of the Sivatoor Talook -

2. The date up to which  
Soobbarau remained in Office was  
by a clerical error entered in the  
Statement which accompanied my  
Letter of the 25<sup>th</sup> ultimo as the 20<sup>th</sup>  
October 1834, instead of the 20<sup>th</sup> August 1837.

The period of service entered in that statement is however correct as it will be found to correspond with the latter date.

3. As the greater part of the delay in submitting the application arose in the Sub Collector's Office, I applied to him for an explanation, which he has given in a letter and memorandum dated 25<sup>th</sup> Instant, of which copies are submitted herewith.

4. The 3 months delay that has occurred in my Office is owing in part to the time occupied in referring to the records of past years to verify the particulars of Subbarao's Official Career, (and partly to the press of business at the close of last year and commencement of

of this, consequent on the very late period to which the Anniversary of 1858 was protracted. — 25<sup>th</sup>
