The two persons entered in this application having been thrown out of employ by the transfer of the Board's Press to the Government Office (as explained in the letter to Government dated 14th May 1859 Para 2) and having served for periods entitling them to pension are recommended to be placed on the Superannuation Pension List with-
out the production of a Medical Certificate under the order of Government dated 5th October 1858 Public Department N^o 239.

Mr. Geils has served three years beyond the period (20 years) entitling him to one third pension but taking into consideration his good character and services his advanced age and the unexpected manner in which he has been de-
prived of employment, the Board re-
commends that he may be allowed a pension of 40 Rupees a month.

Mr. Pitchee has served nearly 29 years, he is also a man of good character and has performed his duties efficiently. With reference to the order of Govern-
ment dated 3rd January 1859 Public Department N^o 1 it is recommended that he may receive one half of his average allowance for the past 5 years, vizt Rupees 30-14-11 per mensem.
It is requested that the pension may be made payable from the 10th April 1859, the date on which the applicants ceased to draw pay.

The Ages of the applicants are, as far as I am able to judge, correctly stated.

No. 2 - 24th 1864

For orders -

The Board of Revenue
forward registers of
applications for super-
annuation pensions
from Mr. J. A. Ritchie late Exam.
ners in their office, who
were discharged on the
introduction of printing
and consequent reduction
of their Establishment.

Mr. J. A. Ritchie has served
23 years and the Board,
in consideration of his
good Character & Service
his age and the unex-
pected loss of his Employ-
ment, recommended the
grant of a pension of
40 Rs. p. m. in lieu of
Rs 30 (1/3 p. m.) to which

the rules entitle him.

Mr. Ritchie's service amounts to nearly 29 years, ~~about~~ about 14 months short of what would have entitled him to $\frac{1}{2}$ pension.

The Board quote similar cases ~~as precedent~~ in which indulgence was shown and propose that $\frac{1}{2}$ pension be

granted.

On 30-14-11. J. M. he granted him. Mr. Boyle (the first case quoted) served 28 years

~~12 months~~ and 8 months, or

within a few days of that

entitled to $\frac{1}{2}$ pension for Mr

Ritchie.

Order thereon dated 9th July / 57 - No. 231

W. Ritchie has served nearly 29 years, or about 14 months short of what would have entitled him to 1/2 pension. Looking however to the circumstances under which at an advanced age he has lost his employment and to the favorable character he has borne, the Jads desire to take a

liberal view of the case, and
they accordingly grant,
as a special case, the
higher rate of pension
of Rs 40.

Mr. Gills' service
extends over a period of
23 years, and the Board
recommend that his
retiring allowance be
increased from Rs 30. to
Rs 40. p. m. The Govt.
cannot however see
how any mode of ex-
tending the rules can
be made to embrace this
case without a positive
breach of them. They
must therefore limit
Mr. Gills' pension to the
regulated amount, viz
Rs 30. p. m., being $\frac{2}{3}$ of his
salary.
