Upon [illegible] the Neilgherry Hills preparatory to my proceeding to Europe, I consider it but an act of justice towards the Tahsildar on the Neilgherries at Ootacamund, [illegible] to [illegible] my very favorable opinion which I have always entertained of him, both in his public and private capacity. Exclusive of my general acquaintance with him from my first arrival on the Hills in 1834 up to the present period, he was more immediately brought to my notice, during the time I exercised the Command on the Neilgherries, from March 1836 to November 1840 and I have no hesitation in stating, that as long as I have been in India, I have never met with a more intelligent, upright, or useful Public Servant, in the performance of the various and responsible duties, that were imposed on him, in which he always displayed great zeal, and attention.

I leave him my very sincere wishes for his future success in life, and the assurance, that his conduct will continue to realize and confirm this my opinion of him.

This is to Certify that C. Barkam has been employed under me in the capacity of English Writer in the Public Office at this Station, that from the manner he has ever conducted the duties devolving upon him for upwards of two years, I have no hesitation in stating it as my opinion that he is one of the most intelligent, well informed, and most attentive man in the discharge of all his duties of any Native I have ever met with in India - he is a most kind and willing man, he is most unwearied and attentive to his business and I greatly respect him as a man of integrity.

I have the pleasure to grant an unsolicited
the testimonial of Character to C.
Barkam Haines, the Head Writer of the
Public Office at Ootacamund

During my two Years incumbency
of the Command of the Neilgherries, I believe
that the amount of business was unprecedentedly heavy and so onerous was
at one period, that the possessor of this
testimonial was obliged to attend at my own
house early in the morning and continue
to labor at his desk in the Public Office,
by candle light in the evening, and I never

heard a murmur escape from his lips. He
bears an Excellent Character and I have implicit
confidence in his honesty and integrity

I have great pleasure in adding my
Testimony to that of Major Hall as to the
zeal and ability with which Mr Barkam

duties, during the time I have been in Command of the Station

I consider he is fully deserving
of holding a much higher appointment
than that he now holds as Head Writer

C. Barkam has been the Shareman for a period of 18 Years in the "Station Office Ootacamund" through its various phases, and with all its multifarious functions for the immense yearly increasing and always fluctuating, European and Native Community here of all grades and interests. It may safely be said that perhaps no Native in India has to discharge such a multiplicity of functions as C. Barkam has at Ootacamund — and all this under a succession of Officers changed every two Years, and coming new to the many heavy duties of the Office. It is little known how useful to the public such a man's aptitude and indefatigable habits are in a large and constantly changing Society under such circumstances. Fortunately he has almost never been sick, or absent from his Post — were his Services lost to this Office their value would be appreciated more palpably.

I find the highest testimonials recorded to his Integrity, Industry, and general ability and value, and I feel it but common justice to add my tribute thereto — Among C. Barkam's other functions, the details of Pay Management, at this Sanatarium, 200 Miles from a Pay Office, need only be reflected on to be estimated — They involve a Trust of some Thirty thousand Rupees and upwards Monthly in which he was never known to be one Rupee wrong — and which I have made exclusively his trust necessarily leaving it entirely to him. He is one of the Civil Courts "Goomastahs", and Translator the Decrees

& is generally a very fair English writer. I have never met his superior. Among his other good points & observances I note the least that I, for one, have never known him once attempt to influence, in the smallest degree, or by a word or hint, the Heads of the Offices, either for or against any Individual whatsoever or on any local or party affair or Interest by word or deed — altho his position and long residence here cannot but have given him the means of being more cognizant, than most others, of every thing that would ordinarily afford materials for an opposite course, in a Native so Situated.

I hereby give this Testimonial entirely unsolicited by C. Barkeumdasen.

Read following letter from Lt Col. Bayley, Commt & Joint Magt, Neilgherry Hills. } Here enter No 218 D/3d June/57.

The Manager of the Commandant's Office, Neilgherries, by name C. Basheam Naik, was, it is observed, granted a "conditional" Pension in E. M. C. No 265 of the 30th September last, it having been certified by the Medical Officer on the Hills that his general health, wh was impaired by a long service in an uncongenial climate, might hopefully be benefited by relaxation from duty for the period of one year.

2. This conditional Pension was to commence on the 1st November following, & on the 1st Nov/58, the party was to appear before a Medical Committee, (convened by the Director Genl), who were to furnish a report on his condition.

3. Subsequently, at the request of & the late Commt, Col. Cameron, C.B. K.C.T.&S. and K.C.:

who stated that from unforeseen circumstances the Manager's services wd. be urgently required for a short time further, the date of conditional retirement was changed from the 1st Nov. 1857 to the 1st Janr. /58 ^

^ and again at the request of Lt. Col Browne, to the 1st of July /58

4. ~~It now appears, notwithstanding, that~~ C. Basheam Naik has accordingly been uninterruptedly employed up to the present date, and the Commdt. now returns the Pension Certificate "for deposit "in the Govt. office, until again "asked for"!

5. The Govt. ~~view this proceeding~~ ~~[illegible]~~ - They remark that it has been certified by a competent Officer that the Manager is labouring under a serious disorder, and suffering from general debility, and that the patient will be unfit for work, certainly for a year, & perhaps altogether. If a Medical opinion is to be altogether thrown aside in the way proposed, it is useless to expect that Medical Officers will perform their duty with proper attention. The employment of C. Basheam Naik from the 1st July ~~last~~ ~~being~~ ~~[illegible]~~ next can not be authorized, & the Commdt. will call upon him, immediately on receipt of these orders, to retire upon the conditional Pension granted to him ~~[illegible]~~ date - and on the 1st ~~Jany~~ July /59, he will be required to appear before a Medical Committee, as usual in such cases.

Of 21st June 1858.

This is to certify that I have personally examined W. Durham Stores Manager in the Commissariat and Port Inspectors Office at Ootacamund and find that he is suffering from general debility brought on by profuse bleeding from internal piles and also that his general health has been impaired by twenty five years service in a climate not congenial to the native constitution; and I am of opinion that these infirmities are not the result of intemperance or any irregular habits; that he is likely to benefit by treatment and relaxation from duty and therefore recommend that he should be relieved from his duties for a period of twelve months on furlo — then should he be found unfit for further duty I would recommend his being permanently pensioned
