MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Memo. from the Ag. Secretary to Government, Military Dept., Fort Saint George, 1st July 1859.

1. The Acting Military Secretary begs to bring to the notice of Government, that in the year 1805, an Office Establishment was attached to the General Prize Committee, at a cost of Rupees 248-8-0 per mensem.

2. In 1828, this amount was increased to Rupees 363-8-0.

3. In 1846, the Prize Committee was abolished, the Office Establishment transferred to the Department of the Military Secretary to Government, and the expenses reduced to Rupees 136 per mensem.

4. In 1850, a further reduction to Rupees 54 a month took place, at which rate the Establishment remains at present.

5. The Writers attached to the Prize Department, draw Pay from the Military Department, and are not entitled to Pension under Regulation.

6. The present Establishment as above shewn consists of 2 Writers* on
* 1 *Rungiah.* Salaries of Rupees 30 and Rupees 24 respectively.—The duties of this Department have however of late diminished so considerably, that it appears desirable to dispense with the services of one of the Writers; and as the senior of the two is an old man of 53 years of age, and has served in the Department for a period extending over 28 years, and with an excellent character, it is submitted for the indulgent consideration of Government, that he be transferred as a special case, to the Pension Establishment on half his present Salary, viz. Rupees 15 per mensem, from this date.

7. It is further recommended, that the remaining Writer, who has been employed since the 6th July 1856, be transferred to the fixed Office Establishment of the Military Department, also from this date, with the benefit of his service in the Prize Department and on a Salary of Rupees 35 per mensem, under the designation of "Record keeper of the Prize Department," his services being available for the general duties of the Department when not engaged on matters connected with his particular charge—for this employment he is in every respect qualified.

8. By the above arrangements, an immediate saving of Rupees 4, with a prospective one of Rupees 19 will be effected, and a Military charge removed—while the Military Department will be strengthened free of cost to the State.

ORDER, No. 2360, 2nd July 1859.

Under the foregoing representation from the Military Secretary to Government, the Governor in Council specially authorises the transfer of C. Rungiah, a Writer in the Prize Office in the Department of the Military Secretary, to the Pension List on the half of his present pay, Rupees (15) fifteen per mensem,—to take effect from 1st July 1859.

2. The Governor in Council further authorises the transfer of R. Aurokium, 2nd Writer in the Prize Department, to the fixed Office Establishment of the Military Secretary to Government, on a Salary of Rupees (35) thirty five a month from the 1st instant, with the benefit of his service in the Prize Department, viz. from 6th July 1856.
