another in that of the Sub collector.

to have been forwarded from the Sub collector's

3. An application for gratuity is now under preparation with which the delay in submitting the application will be noticed and as far as is possible explanation afforded.

Until

6. Until this information is obtained it is impossible to submit their claims to gratuity, they will take no trouble about it themselves beyond the application and very often are not to be found when most wanted.

I have the honor to be
