I hereby certify that I have
carefully examined Mr. C. Smith late
Examiner in the Government Office of
Fort St. George and find him the subject
of General Debility and exhaustion of the
Nervous System.

Mr. Smith has been 36 years in
India without having returned
to England and is much worn and
emaciated. I do not consider him
capable of undertaking any employ
requiring arduous or unremitting exertion.
He has been lately for some time under
medical treatment and made a very
slow recovery.
