I do hereby Certify that I have carefully ex-
amined this individual and find that he is suf-
fering from incipient Cataract of both eyes & defective
Vision which render him perfectly unqualified for
any further effective Service and I do declare that
in my opinion there is no reasonable expectation
of improvement from relaxation from duty or from
Medical treatment and to the best of my
belief this Disqualification has not been
occasioned by intemperance or any other
irregular habits.

With profound respect and solicitude, I beg leave to address you these few lines. I trust you will kindly grant me protection, and pardon my intrusion upon your valuable time.

In consequence of the liver complaint from which I have been suffering for the best 6 months, I feel my strength very much failing me. Age also, as well as hard work in the office, have also combined to reduce me to a state of much debility, rendering the aid of medicine useless. Want of sight is another misfortune, which I have to deplore - so that I am not able to perform my official duties in the satisfactory manner which the service requires. Under these circumstances, I have no alternative, but to request your kind permission to retire, which I trust you will grant, by kindly recommending me to Government for Superannuation Pension from the 1st instant.

I have signed the enclosed and beg to remain, Sir, your obedient servant.

to the entire satisfaction of my several superiors
and employers.

I think that a Pension of $\frac{1}{2}$ or $\frac{1}{3}$ of
the salary is allowed to Clerics according to the length
of their Service, I have actually served Gov^t 34 years
but am understood that if of them will not be allowed
to reckon as service, having been in the Temporary
Establishment; However, I have conducted my duties
faithfully, and with great zeal and punctuality;
in consequence of which I humbly solicit your honor
will be pleased to recommend me to Government
for a Pension of $\frac{1}{2}$ of my salary for 34 years
service, or at least of the proportion of my salary
for full 24 years admitted service, instead
of $\frac{1}{3}$ for only 20 years service. I have a large
family, and experience great hardship by my
present salary being scarcely enough for their
present support as well as for the medical expenses
I am obliged to incur on account of my present
sickness.

For which act of charity I and my
family could always pray to God for your honor
and family long life, health, and

Sir,

1. I have the honor to forward, for the
Orders of Government, an Original Application
dated the 15th ultimo, from J. C. Appasaamy,
Moddilly Accountant in the Financial Department
of this Office for a superannuation Pension,
supported by the accompanying Original Medical
Certificate, granted to him by Dr. Mudge
dated 17th June 1859.
Surgeon 2^d District.

2. Dr. Mudge states that the Applicant
"is suffering from incipient Cataract of both
eyes and defective vision which render him per-
fectly unqualified for any further effective
service".

3. The Applicant has served the Govern-
ment for a period of 26 years and 5 1/2
months,
* Exclusive of three
months during which
he was suspended.

months, viz^t from October 1832 to 15th June 1859, which service has been verified by the records of this Office. The applicants statement of having rendered service temporarily from August 1825 to September 1832 cannot be verified, with the exception of that for three years and ten Months, viz^t from January 1827 to October 1830 during which time he was paid from the stoppage fund, and which

consequently is not eligible for Compensation with his service for a pension.

* Formerly made up of the stoppages and fines from the salaries of clerks &c. for payment of extra hands employed. This fund was abolished under the Orders of Government of 4th Dec^r 1832, published in the Gazette of that year page 389.

He has completed the prescribed period of service to entitle him to one third Pension. His general conduct during the time he has been employed in this Office, has been satisfactory. Under these circumstances, I beg to submit a Register of Application in the usual Form accompanied by a Statement of his services and to recommend that Government may be pleased to sanction his retirement from the 16th ultimo, on a pension of

of Rupees 16.10.8, being equal to one third of his average receipts for the last five years.

* 1016 of the official Gazette of the 16th June 1857.

4. With reference to the Notification of Government dated 16th June 1857 publishing Extracts from two reports of the Civil Auditor, I have the honor to state that P. Appasawmy Moodelly's Pension is calculated on the average receipt of salary of the substantive appointment only.
