Captain J. O. Mayne
Executive Engineer
Bangalore

Most Respectful Sir

I most humbly and respectfully beg to bring to your notice that after an uninterrupted effective service of ^{years} ~~42~~ ^{months} ~~11~~ under the gentlemen named in the margin, I find my sight much impaired and my infirmities from age, being now ^{years} ~~61~~ ⁵ so very great that I cannot write fast, and what I do write, is with trembling and much difficulty.

The nature of my duties from being entirely connected with accounts requires much care and precision, and I am very much afraid that owing to my infirmities, I may be committing some error, or, from the above causes, doing my work inefficiently and thus incurring your displeasure.

pleased to recommend me for a
Superannuation Pension, which Govern-
ment has mercifully reserved for
its poor, old, and faithful servants, in
order that they may spend their few
remaining days in peace and comfort.

In April last, I humbly
entreated the same boon by an appli-
cation -

I further beg to enclose the
copy of my testimonials.

I beg to remain

With profound respect

this application, as directed in Chapter III para. 142 of the Civil Auditor's Manual.

4 The advanced age of 62 years, mentally and physically disqualifies Joseph Pelley for the further performance of active duty, and the grounds of the application for a Superannuation Pension on his behalf are, old age, failing memory, general debility, and impaired vision -

5 Under these circumstances I beg to recommend that Government will be pleased to grant him the indulgence of the regulated Pension of one half of his average salary for the last 5 years, viz Rupees (7-6-4) Seven Annas Six, and Pice four.
