Sir,

I have the honor to acknowledge
the receipt of your Deputy's Memorandum dated
29th July, directing me to forward the usual Medical
Certificate in the case of Mr. Krishna Rao, a native
holder of this District.

I hereby beg to state, that his application
for Pension was made in consequence of the Board
of Government's order of 5th July - and that it
is stated that "when a Collector may be of opinion
that the said Sheristadar or sub Collector Sheristadar
is not qualified for the new appointment, he shall
be permitted to elect in the form &c." and that
"when an officer is held to be disqualified for the new
post has served long enough to be entitled to a
Pension, it will usually be desirable that he
should take it."

Pension", the application for a retiring allowance in
that form was made, or perhaps, it should rather
say, was intended to be made in either mentally
nor physically unfit for the post of a Vice-Chancellor,
in which position he is a useful servant, and I
do consider him and he feels himself to be, unusual
to the post of Manager, which is that of Vice-
Chancellor with another name.

In consideration of what I have written
now and formerly, and after perusal of those letters
made belonging to Christina Row which I have
requested the Secretary to the Board of Revenue
to forward, I trust that the Government will see
fit to grant him a "good service Pension" of the
amount applied for.
