On the 17th November last
I resigned my situation as I did
not recover from my illness and
was in consequence unable to perform
the duties of my office. From 1820 I
served the late Honorable Company
without any fault and the manner
in which I performed my duties
is known to the Court. I submit
herewith a statement of my service
which amounts to 37 years. He

This is to certify that I have carefully examined
Boochier the late Head formastah of the Moofly Shoolah
Amceen's boat at Bombaconnum and am of
opinion that, from old age and bodily infirmity
he is permanently disqualified for further active
service and that, there is no likelihood of his deriving
any benefit, either from medical treatment or
relaxation from duty for a period of twelve months.

I am further of opinion that his present state
of infirmity is from natural causes, contracted
during the course of service and not the result of
intemperance or any indiscretion of his own.

Fort St. George.

Sir,

I have the honor to forward
in the favorable consideration of the
Right Honorable the Governor in
Council translation of an application
for a superannuation Pension made
to the late Mahomedan Sudr Amien
by Boochier, the Head Goomustah
of that officer's Court, on the 5th April.

No 3 of the Enclosure.

Judge of Combaconum
dated 26th August 1859.

No 1321.

No

Per Order of the
Governor.

1859 accompanied by the certificates
and statements prescribed by the
Pension rules.

2. The enclosures will show
that the Applicant is 61 years of age
and has been in the Public Service for
37 years during which he has held
the offices of Javalnavis in the Revenue,
Police and Sayer Departments in
South Arcot, Record Keeper in the
Late Zillah Court at Seringapatam
and Head goomastah in the
Shahmedan Sudr Ameen's Court
at Combaconum; that from old age
and bodily infirmity he is perma-
nently disqualified for further service
and that I have recommended that

a Pension of 8 Rupees per mensem pay-
able at South Arcot may be granted
to him

3. I should explain that the
delay which has occurred in transmitt-
ing this application has been caused
by attempts to obtain, as required by
section 5 of the Pension Rule III dated
15th May 1851 a verification of the appli-
cant's statement of service in the Court
in Seringapatam which have been
unsuccessful. I have no doubt however
that the statement is true. In all other
respects his statements have been
verified. But as he is now at Cuddalore
and the time embraced in it by one
year and three months and 21 days is
not sufficient to affect his claim

to a Pension equivalent to $\frac{1}{2}$ his salary, I have not thought it necessary to call upon him for the solemn affirmation prescribed by the said rules.

4. It will be observed that the Applicant resigned his office on the 17th of November 1858, but applied for a Pension only in April 1859. As the provisions of ^{Para} 131 Chap. III of the Civil Auditor's Channel require that the application should be preferred before the Applicant has resigned the service, he was called upon for an explanation and has replied that he deferred making it partly because he expected that his son would have succeeded him and partly because he did not know that

that he was bound to make it before resigning his post.

Looking to his ill health, which came under my own observation in April when illness had so weakened and reduced him that he was unable to walk into Court without assistance, when he tendered his resignation, to his general good character and the length of his service, I trust that his error may not lead to the forfeiture of the Pension which he seems to me to have fairly earned.

I have the honor to be
