Most Honorable Gentlemen —

Respectful Petition of Naresing Row late Sherustadar in the Pullepet Talook attached to the Carvatty Nuggur Zemmindary of the Zillah of Chittoor begs leave to bring the following few lines for the consideration of the Board & trusting that I may be excused for the presumption

That on the 9 September 1812 Mr. Grame the then Collector of this Zillah had been pleased to favor me a situation of Goomastah in the Sayer Establishment Hoozoor Cutcherry — while on conducting business attentively, and after Mr. Roberts the Collector was pleased to transfer me to the situation of Head Goomastah in the same Department on the 12th October 1827, and notwithstanding reckoning my fortune Mr. Goldingham the then Collector and now as Member of the Board have been pleased to transfer me on the 16 May 1842 to act as Tahsildar in the Pullepet Talook during the attachment. On my conducting the said duties the Zemindary having been exhonorated from attachment in the end of the year 1845 I was not succeeded to any duty. Moreover the said Zemindary having again sequesterated on the 6th May 1846 on account of the certain creditors Mr. Lovell the former Collector Confered him the situation of Serishtadar in in the said Talook during the interval of I unwilling to comply with the order as to act the said duty where the Gentlemen would be angry and trusting that they would promote me to any situation I complied with — This being the case the said Zemeendary having released from Zuft Sewai in abolition — Respecting which the Petitioner having presented several Motions to Mr. Lovell requesting to favor me any situation during the arrangement taking place — but owing to my bad luck I had not the any duty that Mr. Lovell having appointed as Civil and Session Judge recently Mr. Bourdillon appointed as Collector & Magistrate to this Zillah but upon moving my destitute case by several Petitions to the said Gentlemen and latterly on the 16th of October 1848 particularizing all my miserable case but served the Honorable Company for upwards of 33 years no obtained any redress on the subject as I am suffering very much distress f[illegible] by daily subsistence since for 2 1/2 years [illegible] no any other means of protection besides the employment.

I therefore Most humbly pray your Honorable Board will graciously be pleased to favor him with any situation & protect him and his family.

For which act of Charity I and my large family who merely look to my hand shall ever pray for their long life prosperity and happiness. —

From A. W. Sulliman Esqre
Sub Collector in Charge
of North Arcot.

To J. D. Bourdillon Esqre
Secretary to Government
Revenue Department
Fort Saint George.

Sir,

I have the honor, to return the enclosed Government petition No. 1792 of 1859, with enclosures, from Nursinga Row an inhabitant of Prampettah urging his claim to reemployment in the Public Service, or soliciting pension.

2. Whatever his claims may be, he is now manifestly quite unfit from old age and infirmities for further employment in

in the public Service.—

3. As regards his claims to pension I think they are deserving of the kind consideration of Government.

4. Annexed is a statement of his services from the Remarks appended to which may be gathered the cause of the breaks in his Service.—

5. It will remain for the Government to decide whether Items 8, 9 and 10 in the list may be included in Service forming claim to pension, but deducting these $\overset{\text{yrs}}{4}-\overset{\text{m}}{3}-\overset{\text{D}}{9}$ leaves a nett Service for which pension may be claimed of $\overset{\text{yrs}}{29}-\overset{\text{m}}{5}-\overset{\text{D}}{26}$.

6. I may here observe however that the Spirit of Para 121 Chapter III Page 22 of the Civil Auditor's Manual may in a liberal sense be held applicable to this $\overset{\text{yrs}}{4}-\overset{\text{m}}{3}-\overset{\text{D}}{9}$ of employment in the Zemindary under attachment or at any rate to Item No 8 when the attachment was for arrears of Peshcush.

The

7. The Government will observe that the Petitioner was, on his appointment as Tahsildar of Pulipatt (Item No 8) in the Cavatungger Zemindary under attachment, removed from the permanent Establishment of the District, and he should I imagine on the release of the attachment have been restored to it on the earliest opportunity offering but this does not appear to have been done. And he was consequently precluded from completing the short period of Service entitling to half pension or the difference between 30 Years and $\overset{\text{Y.}}{29}-\overset{\text{M.}}{5}-\overset{\text{D.}}{26}$.

8. The only break in that long period of Service was the one of $\overset{\text{months}}{2}-\overset{\text{D}}{19}$ noted in the Remark opposite Item No 2 and is the order moving him from Sayer Goomastah on 17/8 (Item No 1) to Goomastah of the Ummeamash Talook on 10/8 (Item No 2) assigns no reason whatever for

the

the reduction and he seems almost immediately to have been restored to his original berth and the period of out of employ being considerably under 12 months, under Para 116 Chapter III Page 20 of the Civil Auditors Manual does not prevent the previous service counting.

9. The fact is, matters of this sort seem to have been conducted in those days in a much more arbitrary manner than is now permitted.

10 Under these circumstances I would beg to recommend for the favorable consideration of Government that the Petitioner be either pensioned on half the Salary (Rs 25) he drew for the last 5 Years of his Employment on the permanent Establishment (Item No. 7) or Rupees twelve and Annas Eight (12-8-) per mensem or if the Government admit that his service under Item 8 may be counted for pension he would be entitled to the half of 46 „ „ or the average of the pay of the last 5 Years of his service.
