To

Major S. Gompertz
Deputy Paymaster
Malabar Kanara
Cannanore.

Sir,

We the undersigned pensioners, widow and daughter of the deceased Ignacio de Rozario, late Native Doctor on the Establishment of the Gillah Court of South Malabar residing at Cannanore, drawing pension from your Office, being desirous to move and fix our future residence at Bangalore, owing chiefly for the benefit of health, and solely for the reason, that we find that by the small pension which we receive from Government we cannot, altho. with the strictest economy live, easy and comfortably, seeing that all the necessaries of life could not be procured without paying very dear for them here, but as Bangalore is a locality suited for pensioners not only for the congeniality of its climate, but also for the cheapness in the price of provisions &c. which can be had there at all times, we respectfully solicit the favor of your being good enough to submit this our case to the proper authority and recommend our pension being transferred and drawn at that Station from the Paymaster's Office there - from the 1st October next, so that we may on arrival there be enabled to draw our arrears

arrears of pension for September without meeting any difficulty. By your doing this particular favor, we shall always feel grateful to you for the same. -

We beg leave to remain
Sir,

Your most Obedient and
humble Servant.
