Old age and Long Service.

Remarks by the Head of Office.

During the 25 years Venkata Row has been attached to this District he has performed his duties to the satisfaction of his superiors with much zeal & diligence & the Revenues of the Sub-Division have gradually increased from Rs. 309482 to 518393. The Revenues have further been collected without resorting to compulsory measures & with great punctuality. The Sheristadar's dealings with the people have been marked with consideration & his manner towards them has been particularly urban & kind. The Collector has no means of verifying the extraordinary services which the Sheristadar alleges he rendered the State in Lucknow & other places out of the Madras Presidency when employed under the Commission Mr. Groom. if of the character he represents to them they would seem to entitle him to more than ordinary consideration & under the belief that Venkata Row will be able to satisfy the Government of the truth of his statements. the Collector begs to support his prayer that he may be allowed to retire on the salary of his office.

It is to be observed that Venkata Row is in receipt of a pension of Rupees 87½ being 1/4 part of the Pension granted to his father Bhem Row and continued to Venkata Row and his son.
