Sir With reference to your letter of 27th September last No 655 inquiring "under what circumstances" a period of 19 months can count as service for a Gomastah named Bulramdasi seeing that his duties were performed by a substitute owing to the growing blindness of the incumbent, I have the honor to observe that it is for the Government to decide whether, under the affliction which threatened this man and has now completely disqualified him, the period to which you allude may not be admitted to count as service towards his pension and I request you will submit the case with copy of my letter for the indulgent consideration of Gov^{ty}.

Report of the Civil Auditor.

The Civil Auditor has the honor to report, that the authorized Official allowance drawn by Goolloor Bularamdos, late Head Goomastah of Poobacondah Talook, on the Establishment of the Collector of Ganjam, for the last five years of his service, has been Rupees 15-0-0 per mensem; and that his service under the Government entitling him to pension extends over a period of 20 years 11 months & 28 days; viz^t from 6th December 1836 to 2nd December 1857.

The service rendered by G. Bularamdos from 20th March 1830 to 5th December 1856, about 26 years 8 months & 17 days, is excluded from the above calculation in consequence of his salary during that time being Rs 10-0-0.

His service from 3rd December 1857 to 10th August 1859, is referred by the Collector for the indulgent consideration of Government as may be seen from his letter to the Civil Auditor N^o 110, which with a copy of the Civil Auditor's letter to him is herewith sent.

The correspondence between the Civil Auditor & the Collector has delayed this Report.
