Fort St George

Sir,

With reference to the accompanying Certificate of the Late Native Pension Fund N^o 2928, I have the honor to state that upon examination of the person of its holder named Saugee, her height corresponded with that entered in the Certificate but the two moles on her left hand as entered in it, are not visible - An enquiry was formerly held in Mr Porter's time as to this woman's identity when her Certificate was lost, & she has now proved before the Tahsildar of Bandar Taluq that she is the Saugee she represented herself to be - She is a very old woman & the moles may have disappeared by process of time - I have however stopped payment of her pension pending the orders of Government. I have the honor to be
