Honored Sir,

With due respect and submission I beg leave to bring the following few lines to your honor's kind notice, and earnestly crave your honor will be kindly pleased to condescend to the prayer therein contained.

Having been entertained in the Office in February 1818, as an additional Writer, I was brought on the permanent strength of the establishment in February 1821, I have ever since been discharging my duties to the entire satisfaction of my several honored superiors. My services in the Office were for the most part in the Government correspondence Department and I have continued to discharge my duties as an Assistant in the Bill Department for my usefulness, I beg to refer your honor to Mr Spencer in charge of the Department. It may not be irrelevant to mention here that during this long period of my service extending over a period of 37 years and 11 months (not including the 3 years temporary Service) I have never been late at Office, nor have I obtained leave on any Account for any lengthened period except a Week on one occasion in 1841. my absence on account of illness or other Accounts being also rare and not worth consideration.

Thus after having had the honor of

Serving

serving in this Office for a long period as above stated being now rendered quite unable through old age (63 Years and 9 Months) and consequent debilities for further efficient performance of such enerous duties as those of the Bill Department, I beg your honor will be pleased to recommend me to Government and obtain for me a Superannuation Pension a favor which Public Servants of my description do merit at the hands of Government.

I at the same time most respectfully take the liberty to bring to your honor's kind consideration, that as I hall not any increase to my Pay for the last 30 years and the small Pension which may be granted me by Government will reduce my means greatly to support my large family including that of my late Cousin Kistnasawmy who was employed as an Auditor in this Office for a Space of 15 years and earned the approbation of his superiors.

Under the above circumstances I earnestly crave your goodness will be so condescending as to provide my nephew M. Mooroogasum the Senior Probationer with a place in the Office and thus relieve me from the distress.

For which Act of Charity and benevolence I and my large family shall ever pray for your honor's long life and continued health.

I beg to remain
Honored Sir,
Your most Obedient Servant
