Civil Auditor.

N.B. The Applicant represents that as he was originally entertained as a Jail Peon in the year 1803, his service extends to the above period of 51 years. The Records of the Court only exhibit his Service from the year 1808, which would reduce the period to 45 yrs & 11 months, if his verbal Statements are not admissible.

1. With reference to the enclosed copy of a Memo. from the Chief Secretary to Government Public Department, returning an application for gratuity forwarded by me direct to Government on account of the late Jamadar attached to this Jail named Shodagum Sektaramoodoo regarding whom you remarked in your letter of the 2nd March last that it is a case of retirement previous to your appointment to your present office. I have again the honor to trans-

with the said application thro' you as directed in the above Memo: accompanied by the usual statement of his services, for your favorable consideration.

2. The period of service of the applicant extends over a long period of about 50 years, during which he served Government in different grades of Peon, and also held the Acting appointment of Jailor on one occasion, and he was finally dismissed by me on the 18th April 1854, for old age. The applicant was allowed the privilege of naming a Peon (not a successor) on the Jail Establishment, who was dismissed for absenting himself.

self without leave.

3. I beg therefore to request that you will be good enough to submit the application to Government, with your favorable recommendation, so that they may grant the solicited gratuity in consideration of his long services, as an encouragement to others of the same class.

From,

Sup^t of Sails

To,

J. Pycroft Esq^r
Chief Secy to the Govt. of
Port St. George

Sir,

I have the honor, at the request of the Sessions Judge, twice repeated, to forward for the consideration of Government a claim to gratuity on discharge preferred by Ghodagum Sektaramdas late Zamadar of Peon in the Masulipatan Sail.

2. I do not recommend the case 1st as it arose long previous to my appointment and 2nd because I do not think it right to establish an inconsistent precedent.

3. Most officers reduced from the Sail Establishments previous to my Appointment had great consideration shown them; they were allowed to continue in office much longer than considerations for the good of the service warranted and, when discharged, were, as in the present instance, allowed to nominate a relative to complete the establishment.

Yours

4. In the present instance the
dismissal of this nominee seems to have
given occasion for the present application.

in April 1854 of further perform-
ance of his duties is necessarily omitted.
