To The Secretary to Government
in the Military Department
Fort Saint George

The humble Petition of
B. Camalnathum Pillay
late Head Writer in the Ordnance
Department Ceded Districts
Most Humbly Sheweth,

Your Petitioner was entertained as a
Store Lascar on the 10th September 1818 and served until
15th February 1835 (16 years and 158 days) when your Petitioner
took his discharge; he did so because he had been writing
in the Arsenal Office, as 2^d Writer, and then succeeded
to the Head Writership.

Your Petitioner served until 31st January
1858 (40 years) and being now nearly 60 years of age, has
resigned his situation in Conformity with the order passed
by Major G. M. Gumm in the full hope, which he
entertained throughout his service, of obtaining a Pension.

But your Petitioner has been informed
that he has no positive claim to a pension, and he therefore
throws himself on the clemency of Government, in the hope
that his case may be taken into favorable consideration.

For 16½ years your Petitioner served in a
position which entitled him to a pension, and long before
this time would have attained the rank of Syrang had
he not been employed as a writer in the Office, at the
request of his Officers, which rendered his discharge from
the Lascar Department necessary; but your Petitioner
would not have accepted this appointment in the Office,
if-

if he had been aware that he forfeited his claim to pension by doing so.

Your Petitioner humbly trusts that this error on his part will not withdraw his case from that gracious liberality which Government has always shewn towards its Servants, and that they will take into Consideration the promotion which he would have reached had he remained in the Service, & be pleased to grant him such an amount of pension as they may deem fitting for the good service of a life time in order to sustain his declining years.

Your Petitioner possesses most excellent testimonials from the several able Officers under whom he served, and herewith submits a true copy of the same, and with firm trust in the kindness and liberality of Government commits his case to their hands and will ever pray for the welfare of a benevolent Government.

I shall ever Pray
