1819 to February 1824 and during that
period completely maintained the character
I received with him, always in his place,
and always ready, faithful, honest, and

This is to Certify that I have examined G. Mootiah Moodelly Conicopoly of the Commisariat Department and found him to be unfit for further service, and that as far as I am able to judge there is no reason to suppose that his present condition is attributable to intemperance or other irregular habits.
