be excluded from the
time counting for

remainder being only

is all that can be

3. It is pointed out
for consideration that

consequently the 8
years would have
been admissible, but
for the 10 per cent re-
duction of salaries

however observe that
he was dismissed
from this very appoint^t

in 1832, and that ³
his reinstatement in
1834 was under the
new arrange^t, he there-
fore claiming any bene-
fit from what might
otherwise have been
