Proceedings of the Board of Revenue dated
12th July 1859.

Read letter from the Subcollector in charge of
North Arcot, dated 20th June 1859, N^o 163.

(In Con. 21st June 1859, N^o 2939.)

The Board consider it of very great
importance that the office of Manager under
the new arrangements should be filled by a
thoroughly efficient and able person.

2. They quite concur with Messrs Whitting-
ham and Sullivan, that Summajee Row
should for the reasons stated be placed
on the pension list and request the latter
gentleman to take the necessary steps for
this purpose.

3. The appointment of Sub-division Manager
may properly be left to the Sub Collector
Subject of course to the Collector's approval and
Confirmation.

Extract from the proceedings
of the Board of Revenue dated
12th Aug/59.

On a letter from the Collector
of South Arcot to the Secretary
of the Board of Revenue dated 10th
May/59 - No. 62.

In Con. 21st JUNE 1859, No. 2939.
From A. W. SULLIVAN, Esq. Sub Collector in charge, NORTH ARCOT,
dated Chittoor, 20th June 1859, No. 163.

I have the honor to inform you that on giving over charge of the district on the 18th instant, Mr. Whittingham requested me (a pressure of business at the last having prevented him from doing so himself) to convey to the Board of Revenue, with reference to para. 10 of their Circular of the 10th May 1859, No. 1689, his opinion as to the unfitness of Tummajee Row, hitherto Sheristadar of the sub-division of this district, for the post of Manager of the Collector's office and the advisableness of his being directed to send in his application for pension (to which his services entitle him) on the completion of the annual settlement of the sub-division for Fusly 1268.

2. My own acquaintance for some years with Tummajee Row's qualifications enables me to express my unqualified concurrence with Mr. Whittingham in the above opinion.

3. Tummajee Row, although a worthy old servant of the Government, from length of service, age, and the very antiquated school to which he belongs in all his ideas on matters of business, is quite unequal to the arduous duties which will devolve under the new arrangements on the Manager of a Collector's office.

4. Mr. Whittingham also conveyed to me his intention, had he remained in office, of conferring on the present head Goomastah, Sheshagherry Row, the post of Deputy Manager in this office, than which I believe a better selection could not be made; but as the conclusion of the annual settlement, on which these appointments hinge, will probably not be effected until after Mr. Robinson's arrival, they should manifestly be held in abeyance pending that event when on receiving charge he will become informed of the contents of this letter.

5. As regards the Manager for the sub-division office, Mr. Whittingham expressed to me his opinion that the nomination to the office should rest with the Sub Collector; but on this point I should be glad to know the sentiments of the Board.

1. The Gods are unabh.

As Tamm's name was to accede to this recom-

and afterwards rose to the rank of Sarishtadar, it would, I think, be harsh to reduce his Pension on account of his temporary dismissal. Looking to the circumstances under which it is proposed to dispense with Tammaji Rao's services, they will

3. Yammaji Rao's

this the rules allow

it desirable that he
