Board of Revenue

Sir,

I beg most respectfully to submit this my application for a Superannuation Pension with the fervent hope of being specially recommended for the same notwithstanding the boon solicited is not now extended to the particular class of servants to which I belong.

I entered upon my duties in the Board's Office on 1st July 1822 and from that date to the present time I have conducted myself to the entire satisfaction of the very many Members and Secretaries of this Office. During the last 37 years of my service I have accompanied Commissioners four different times. I first followed the Honorable Sir Thomas Munro with his Establishment to the Northern Circars and on a second occasion I went with the Honorable Mr Russell to Bengal when I was subjected to all the hardships of a sea-voyage. I have on a third time followed Mr Russell when that Gentleman was appointed to quell the insurrection in Ramesdy and Palonda when H. Narasinga Row the late Head Sheristahdar of the Board was also with us. On this occasion I was subjected to great danger particularly when I was specially appointed by the Commissioner to wait upon him in the Camp with a musket and to deliver to him both at night and day the several expresses addressed to him. This duty I have performed with

performed with great courage and perseverance. Subsequently
in 1854 I followed the present Senior Member Mr. J. Goldingham
to the Northern Circars upon whose recommendation I was
provided with my present Samadaships.

& members
of the N.
Circars
recorded
in 1855.

In 1838 Besavaya a Peon of the Board's
Establishment was specially recommended for a Pension
notwithstanding the order of Government of the 22^d December
1835 prohibited any grant of the kind to Peons. The
Government in consideration of his services have been
pleased to grant him (a Peon on a monthly salary of
Rupees 7) a life Pension of Rupees 4. About the same
time one Pungasah Head Peon in the Government Office
was also provided with a full Pension and in 1855 the Head Peon of the Chief Engineer's Office was
also specially recommended for the consideration of
Government and they have also been pleased to extend
their liberality by granting him a Pension equivalent to
one half of his pay.

With these precedents before me I
most respectfully request that you will be good enough
to lay this application for the favorable consideration of
the Board and obtain for me their special recommendation
for a life Pension.

I beg to remain

Sir,

Your most obedient humble
servant

I William Campbell Mackean M.D.
Surgeon in H. M. Indian Service, do
hereby certify that I have carefully examined
D. Kistnaji, a Jemadar of Pons in the
Office of the Board of Revenue. I find that
he is a good deal worn, is suffering from
commencing Elephantiasis that he is
not likely at his time of life to derive
benefit from treatment, and that in my
opinion he is unfit for further active duty
and that the above state of ill health
has not been caused to the best of my belief
by intemperance or irregular habits.

He is not strictly entitled to pension under the rules, but the Board strongly recommend that his case may receive special consideration. It will be seen from his application that he proceeded on duty to distant places on four separate occasions. 1 st to the Northern Circars with Sir Thomas Munro's establishment. 2 nd to Bengal by sea with Mr. Russell. 3 rd to Ahmednagar and Paleonides also with Mr. Russell and 4 th to the Northern Circars with Mr. Goldingham. On these occasions the applicant was subjected to much arduous service and fatigue, and at one time was required to discharge duties more of a military character than those usually performed by Europeans. The applicant's services also extend over the long period of nearly thirty eight years, and his character seems to have been always that of a steady, regular, & trustworthy man, and he has obtained by his good conduct and services the highest appointment on the Board's establishment, which a person of his class is qualified to fill, viz that of Secretary. Under these circumstances the Board recommend that he may, as a special case, be allowed a superannuation pension equal to one half the amount of his present salary as shown in the proper columns. The usual medical certificate of disqualification is submitted, and it is recommended that the pension may be made payable from 1 st April 1860.	6	Mauras.

Memo.

The Board of Revenue submit an application for superannuation pension in favor of Jamadar Krishnaji, the oldest servant in this Establishment. Mr. Goldringham, separately, expresses a hope that the case may be favorably considered.

The Applicant quotes the case of Basaraya a man in the B² Establishment on B¹ J. M., who after only 11 years service was disabled by paralysis immediately following on fever contracted while on duty in Kinedy & H.

in 1838 was pensioned
in Rs 4. p.m. - Second
that of Sabhapati, head
man in the Chief
Engineer's office, who
in consideration of
53 years faithful ser-
vice was pensioned on
half-pay.

Pet's has served for
nearly 38 years and
is now suffering
from incipient elephan-
tiasis, and is unfit
for further work.

The Bā recommended,
as a special case,
the grant of one-half
his pay, or 6 Rs. as
retiring pension -

L. S.

The man is of a class of servants who are not eligible to pension under the rules - He is an old servant certainly - but the ~~precedent~~ ^{predecessor} who he pretends hardly merit his case - The man was pensioned on account of illness contracted in Kentucky - He then for 53 years has been in - and see Court records where shown it. in P.M.C. 22
1855.

As the Petitioner does not belong
to a class of servants entitled to
Pardon under existing Regulation
I think a sufficiently liberal pro-
vision will be made for him by
granting him 2000 a month for

Proceedings of the Madras Government
Read the following letter

From the Secy to the
Board of Revenue
dated 20th Feb. 1860.

Order thereon dated 23rd March 1860 No. 103

1. With the above
letter the Board sub-
mit for favorable
consideration an special
grants, an applica-
tion for superannua-
tion pension in be-
half of ~~the~~ Jamadar
Krishnaji, the oldest
servant in their Estab-
lishment.

2. The Applicant
has served the Govt
for upwards of 38
years, and is now
declared incapacitated

by incipient elephan-
-tiasis & the infirmi-
-ties of age for the
further performance
of duty. He is not
of a class entitled to
pension under the
rules but, advert-
ing to his long service
and to the peculiar
nature of the duties
he has on various
occasions been
called upon to per-
form, as well as to
~~the~~ his good charac-
ter & trustworthiness,
the Board recommended
him for $\frac{1}{2}$ pension
as a special case.

3. The two cases
quoted by Krishnaji
as precedents in sup-
port of his claim

to consideration
are not strictly appli-
cable. In the one
case a man was
disabled by paraly-
-sis immediately
following upon
fever contracted
while on duty in
Kinney. In the
other a pension
was given to a
man for 53
years service, and
in this case it is
observed, the Hon.
Court remarked
that they disapproved
such deviations
from the established
rules regarding pen-
-sions -

4. Under these cir-
-cumstances the
Sd^{ts} feel they must
decline compliance with
the B^d recommendation of L. S.
