1 In these Petitions, the Petitioner, who was formerly a Nagadi Sumasta in the Taluk of Kampli, appeals against an order of the Collector, dated 27th October 1859, in which he declined to recommend the Petitioner for a Pension.

2 The facts, connected with his case, are as follow.

3 On the 26th October 1858, the late Collector, Mr. Pelly, issued orders, that the Nagadi Sumastas of the Taluko marginally noted, should, as being incapacitated by old age, resign their appointments, which he subsequently agreed to give to their sons, or other near relatives, provided they, within a certain time, rendered themselves competent to hold them.

4 They all subsequently gave in their resignations, and were succeeded in their offices by their relatives, Petitioner's son obtaining his father's place.

5 They also all obtained Pensions

with the exception of the Petitioner.

6 He, it appears, resigned his situation in November 1858; but the Garrison Surgeon, to whom he applied for a Certificate, gave one (of which the enclosed is a copy) to the effect, that he was fit for further service.

7 Petitioner upon this appeared to the Collector, Mr. Pelly, asserting that he was incapacitated by deafness, and that the Garrison Surgeon had been misinformed by the interpreter of what he said. He did not subsequently appear before the Collector till August, by which time Mr. Pelly had left the District.

8 Upon this, he was sent by the present Collector to the Garrison Surgeon, with a memo pointing out that Petitioner declared, he had originally stated to the latter, that he had been afflicted with deafness, after 18 years' service, and not, as supposed by that Gentleman, since the age of eighteen.

9 The Garrison Surgeon, on the 11th August 1859, gave a certificate (copy of which accompanies) that he was healthy, and fit for further service.

10 The Collector, on his subsequently petitioning him, passed the order appealed against.

11 As the Garrison Surgeon had twice refused a certificate; as Petitioner had failed to present himself to the former Collector, and as he had answered quite correctly, when addressed accidentally by the present Collector, the latter considered himself precluded from recommending a Pension for him, and therefore referred him to the Board of Revenue, as the best way for his claims to be considered.

12 Petitioner looks stout and healthy, and to prove, or disprove deafness is difficult. He has served for 28 years, and those similarly situated with himself have obtained Pensions.

13 The Collector is therefore of opinion that his is a case, which might be specially favored by granting him a Pension, although he cannot obtain the necessary Certificate.

As the Collector's Endorsement of
21st January 1859, shews that Petitioner's resigna-
tion was not voluntary, but ordered by the Col-
lector on the ground of his being incapacitated
for further service by the infirmities of age,
the circumstance of the Medical Officer
being of a different opinion, should not
in the Board's opinion, operate to deprive
the Petitioner of the benefit of the Pension
Rules, and they request the Collector
to submit the application in the usual
form to Government.

Sir

1. With reference to an Endorsement from the Board of Revenue, dated the 11th ultimo, on a petition addressed to them by Strinivasarao, formerly a Gumashta in the Kampli Taluk of this District, I have the honor to submit a Register, prepared according to the prescribed form of 30th May 1855, for his superannuation pension, which I consider need not be conditional.

2. A Certificate as to his age, given by the Deputy Manager of the Department, is herewith sent.

3. Strinivasarao has served the Government for a period of 27 years, 6 months, and 23 days, which has been verified by the records of my Office as follows.

As Mulki Gumashta in the Taluk of ^{Saluk} Ballari from 1st May 1831 to the end of ^{Years. M. & D.} January 1841. 9. 9. 12

As Cash Gumashta in the Taluk of Kampli from 1st February 1841 to 23rd November 1858 17. 9. 23. 14

Total 27. 6. 23

4 Strimwasaraid is said to have conducted himself satisfactorily, and asserts, that he is incapacitated for the performance of his duties.

5 This fact however was not patent either to the Garrison Surgeon, or the Collector.

6 It will be observed from my report, and the Board's Endorsement with reference thereto (copies of which are herewith sent) that Strimwasaraid failed to obtain a Medical Certificate, and, in consequence, this application is made as a special case.

7 The average salary per Mensem, calculated on the last 5 years of his service, amounts to Rupees 14. I beg to recommend that a superannuation Pension, equal to one third of the same viz: Rupees 4-10-8 per Mensem, may be granted to him from 24th November 1858, he having given over charge on the 23rd of that Month.
