REVENUE DEPARTMENT.

PROCEEDINGS of the MADRAS GOVERNMENT.

Dated 3rd December 1859, No. 1639.

1. The attention of the Government has been drawn to the case of Kónéri Ráo late Head Sarishtadár of Tinnevely and appointed Deputy Collector of Coimbatore. This individual has served the Government nearly 43 years, and is 62 years of age. If these facts had been brought under the notice of Government at the time of nominating the Head Sarishtadárs to be Deputy Collectors in March, this old servant of the State would have been pensioned, as others were under similar circumstances; it would not have been considered expedient to appoint him to the novel duties of a Deputy Collector. His Excellency in Council resolves to adopt that course now; Kónéri Ráo will therefore retire from the public service on the pension coming to him under the rules. His retirement and pension will date from the 1st January 1860 inclusive.

To J. Silver Esqre  
Collector of  
Tinnevely

Sir,

In acknowledging the receipt of your Yadaat N<sup>o</sup> 1141 dated the 13<sup>th</sup> December together with its Enclosure, a copy of the Proceedings of the Madras Government under date the 3<sup>rd</sup> Idem, I respectfully beg to submit that I am ready and willing to obey the orders of Government, being fully confident that Government will pass favorable orders in my case, deeming this as a special one, in consideration of the following circumstances.

The former rules not having declared that an interval of more than one year between one period of Service and another, will exclude the previous service from counting for pension, I had resigned the post that I had originally held in the District of Tanjore, and did not take up another till after 2½ years.

From the date of my reemployment, I have served Government continuously for 26 years and 2 months  
faithfully

faithfully and zealously, and I am able  
and willing to serve a little longer should  
Government permit it, in consideration of  
others older than myself being allowed  
to retain their posts, in order to entitle me  
to a pension equal to a moiety of my  
pay, as under the present rules an Unco-  
mmissioned Officer must serve 30 years  
continuously, to entitle him to that pen-  
sion. But if the order of Government  
directing me to retire from the service  
from the 1<sup>st</sup> January 1860, must be  
carried out, I humbly solicit that  
Government will be pleased to allow  
me the benefit of half pension,  
considering that the total period  
of my service amounts to 42 years,  
that by zeal and diligence, I have  
always given satisfaction to my  
Superiors, and that the break in the  
above period was only  $2\frac{1}{2}$  years, and  
even that, long prior to the promulgation  
of

52  
of the existing pension rules.

I beg you will be kindly pleased  
to forward this address to Government  
with any observation and recommendation  
you may deem it just to make on the subject.

I beg to remain

Sir,

With reference to the Proceedings of the Madras Government under date the 3<sup>d</sup> December 1859, directing that Honary Row Deputy Collector of Coimbatore, and temporarily doing duty in this District, should retire from the Public Service, I have the honor to submit the usual Register of an application for Superannuation Pension together with copy of a letter from him, for the favorable consideration of Government.

2. The Public records shew that the total period of Honary Row's service amounts to 41 years, whilst the testimonials in his possession speak highly of his character. He has always been considered as a hard working and useful public Servant, and during the

the time he served as Head Sheristadar under me, I found him to be such. Consequently and taking into consideration the circumstances under which he now retires by the orders of Government, I have calculated his pension on an average of a moiety of his Salary for the last 5 years, although there was a break of  $2\frac{1}{2}$  years in the service, which makes his continuous Service from the date of re-employment  $26\frac{1}{2}$  years, or  $3\frac{1}{2}$  years less than the period entitling him to half pension under the existing rules.

3. Here I beg to observe, that the break in the Service of Honary Now occurred long before the publication of the rules which require that a break between two periods of Service exceeding one year, should not count as service for pension, and this circumstance, I beg to recommend under the peculiar circumstances of the case, may not operate against him.

No

4. No Medical Certificate has been obtained, as I deemed it unnecessary with reference to the rule contained in para 14.2 Chapter III of the Civil Auditor's Manual. It is besides not likely, that the Surgeon would grant him a Certificate of disqualification from bodily infirmities.

5. In conclusion I beg to explain, that unavoidably Honary Row's retirement dates from the 1<sup>st</sup> of March next, or two months later than the time fixed by Government, because with reference to the Proceedings of Government dated 9<sup>th</sup> November 1859, No. 1528, it appeared expedient to allow him to do duty till the end of this month, for the purpose of perfectly completing the arrangement of the Native records which he now reports he has done.

# Report of the Civil Auditor

The Civil Auditor has the honor to report that the average official allowance drawn by Hon<sup>ble</sup> Rao's late Deputy Collector of Coimbatore, for the last five years of his service is Rs. 258-1-6 per mensem; and that his service under the Government qualifying for pension extends over a period of only 26 years and 4 months viz<sup>t</sup> from 1<sup>st</sup> November 1833 to 29<sup>th</sup> February 1860.

The service rendered by Hon<sup>ble</sup> Rao in the Districts of South Arcot & Tanjore, for a period of 15 years 1 Month and 26 days, is inadmissible, in calculating his service for pension in consequence of several breaks which amount to 4 years 3 months & 14 days. He is therefore entitled to one third pension of his average salary as above reported.

Memorandum

Honori Rian, Dept. Coll.,  
has served the Govt. for  
upwards of 41 years, of  
which the last 26 are  
continuous.

In 1827 he was re-  
moved from office in  
consequence of his failing  
to return to his duty at  
the expiration of a year  
leave. He was ~~then~~ employed  
off and on, in temporary  
posts, but with frequent  
breaks, until 1831, when  
the office he then held  
was done away with.  
He was not again em-  
ployed in the perma-  
nent establishment  
until 1833: since that  
date his service has

been continuous -

It will be seen from  
the above that the ex-  
clusion of the period  
anterior to 1833 from the  
time counting towards  
pension is owing, not -  
as Kōnēri Rān would  
have it - to his having  
voluntarily resigned his  
appoint<sup>ment</sup> -  
~~office~~, in ignorance that  
his doing so would prej-  
udice his claim to pen-  
sion, but to his removal  
from office.

He is eligible, under  
the rules, to  $\frac{1}{3}$  pension,  
but the Col<sup>l</sup> of Timor  
recommends him for  
the higher rate in con-  
sideration of his long  
service and good

character.

It is necessary to  
mention here that  
Kōnēri Rān retires  
pursuant to order of  
Gov<sup>t</sup> dated 3<sup>rd</sup> Dec<sup>r</sup> 1859 -  
L. G.

The case should be disposed of  
under the rules - as should all  
cases unless when the cir-  
cumstances are any  
peculiar - which they do not  
seem to be here -

The pension rules affect these  
classes - and if special cases  
are to be allowed (unless under  
very exceptional circumstances  
indeed) then will be no end to  
them. Jps

Order thereon dated 18<sup>th</sup> April 1860 No. 120

Konéri Káu, Deputy Collector,  
has served the Government for  
upwards of 41 years, of which  
the last 26 are continuous.

In 1827 he was removed from  
office in consequence of his fail-  
ing to return to his duty at the  
expiration of his leave. He was  
after lapse of a year employed,  
off and on, in temporary posts,  
but with frequent breaks, until  
1831, when the office he then  
held was done away with. He  
was not again employed on the  
permanent establishment  
until 1833: since that date  
his service has been continuous.

It will be seen from the above  
that the exclusion of the period  
anterior to 1833 from the time  
counting towards pension is  
owing, not - as Konéri Káu

would

would have it - to his having  
voluntarily resigned his ap-  
pointment, in ignorance that  
his doing so would prejudice  
his claim to pension, but to  
his removal from office.

~~He is eligible, under the~~  
~~rules, to  $\frac{1}{3}$  pension, but is re-~~  
~~commended for the higher rate,~~  
~~in consideration of his long~~  
~~service and good character.~~

4. He now retires per-  
suant to order of  
Govt. dated 3<sup>rd</sup> Decr 1859.

5. He is eligible, under  
the rules, to  $\frac{1}{3}$  pension  
but is recommended  
for the higher rate in  
consideration of his  
long service & good  
Character.

6. The Govt. have  
carefully considered  
the grounds relied on  
by Kōneri Rān as  
constituting a special  
claim to consideration,

and are of opinion that  
that the circumstances  
are not such as would  
warrant them in allow-  
ing a departure from  
the rules. There are  
strengths in this  
view by the recent a-  
-tion of the ~~Empire~~  
Govt of India contained  
in the resolution dated  
8<sup>th</sup> Sept. In this order  
it is laid down that  
a break occasioned  
by resignation of office  
vitiated all previous  
service. A fortiori  
removal from office  
must have this effect.

7. Resolved accord-  
-ing that a pension  
of Rs 86. p.m. being  $\frac{1}{3}$   
of his average monthly  
during the last 5 years  
be granted, and that
