Memorandum.

The Commissary General has the honor to request that the Secretary to Government in the Public / Separate / Department will be good enough to cause the date from which Pension to Goolam Mahamed, late Cutwall of the Military Police at Vellore should commence, to be altered / in the Certificate returned / from 28th November to 27th October 1859, the date on which his Services were dispensed with.

On a reference to the Commissary General's letter forwarding the Cutwall's application for Pension, it will be seen that 27th October 1859, was the date on which he ceased to be employed.

Read the following
Memorandum from the
Commissary General dated
20th April 1860 -

Order thereon dated 24 April 1860 - No. 131.

1. The Govt. observe
with reference to the
above Memorandum
that they intentionally
made Ghulam Muham-
mad's pension payable
from the 28th Novr 1859.

2. Pensions / except-
ing for good service
after 35 years / are given
only when public
servants are certified
by a Medical officer
to be disqualified for
further duty. In the
present case the certi-
ficate is dated 28th
Novr, and it is clear

that, according to the spirit and intention of the rules, the pension ~~must~~ should commence from that date.

3. The Commisary General is referred to the order of the Govt dated 16th July 1856. No. 164. from which he will see that his proceedings were not according to rule.

The application should have been ~~made~~ submitted before the Petitioner resigned the service, and not 4 months after.

4. As however the Petitioner would, under the above interpretation, receive no

allowance whatever for the period between 27th Oct and 28th Nov, and it would be harsh to make him suffer for a fault not his own, the Govt will not insist upon a strict enforcement of the ~~existing~~ rules.

5. Resolved accordingly, in modification of the order of 29th Nov. that the pension be made payable from the 27th Oct, the date from which the Applicant ceased to be employed.
