General Department,

No. 461.

Report of the Civil Auditor.

The Civil Auditor has the honor to report that, the Services in this Presidency of Dharwar Atchappiah, late Tahsildar of Chellapully, in Masulipatam Collectorate, extend from the 19th February 1851, to the 24th November 1852, or 1 Year, 9 Months and 4 Days, and that his salary was Rs. 65 from 19th February to 30th May 1851, and Rs. 35 from 31st May 1851 to 24th November 1852.

The alleged services of this individual under the Bombay Government, and in the Mysore Territory cannot be verified by the records of this Office; but according to the Register of his Original application for pension, submitted to the Bombay Government, his services embraces a period of 22 Years and 6 Months, and his average Official Allowances for the last five Years of that Service, is reckoned at Rs. 125 per Mensem, under these Circumstance he was recommended for the grant of a retiring Allowance of Rs. 41-10-8; a recommendation which stands supported by the Report of the Civil Auditor Bombay, No. 662 of 1842/43 dated 14th September of that Year.

Atchappiah's services in the Mysore Territory, as Amildar of the Cuttub Talook, are

Stated

whatever in reference to this fact, & to the opinion expressed by Mr. Law, Collr. of Dharwar at para 2 stated to have been for a period of 6 years, in the Certificate declared to have been granted to him, by Mr. R. Dobbs Superintendent.

Excluding his service in the Mysore Territory, which does not appear to be sufficiently established, this Applicant appears to have rendered service to the Bombay Government, of a duration sufficient to qualify him for the pension fixed by the Civil Auditor Bombay, Viz. Rs. 41-10-8 -- x 3 = R. 125
Reckoning merely his service under this Government, the Civil Auditor has the honor to observe that Atchappiah is not eligible to any pension, but is entitled to a gratuity under the new Rules.

Sir.

An application for a superannuation Pension has been submitted to this Govt. by the Collr. of Masulipatam, on behalf of Dharwar Achappa, late Tahsildar of Chellapully in that district. It appears that a large proportion of that individual's services were rendered under the Govt. of Bombay, who in 1842, *vide* Mr. Chief Secy. Lestock Reid's letter to the Collr. of Dharwar, dated 24th Oct. of that year, declined to admit him to the benefits of the Pension Rules, on the ground that his conduct did not entitle him to that privilege. The man, I am directed to say, has rendered good service subsequently, viz, for six years as Amildar of the Cuttal Talook, Mysore Territories, and for a further period of about two years in Masulipatam, as above mentioned; and I am to enquire, whether in reference to this fact, & to the opinion expressed by Mr. Law, Collr. of Dharwar at para 2 of his letter to the Collr. of Masulipatam (copy of wh. accompanies) the Govt. of Bombay, on reconsideration of the circumstances under which the applicant was discharged from his office of Mamlutdar in the Dharwar district in 1842, see any objection to his being allowed to reckon his service in their territories, as service entitling him to pension -

Read the following

From the Collr of the Krishna District dated 17th Feby 1860.

Do dated 14th April 1860.

thereon dated 25th April 1860 No. 135

1. This case was first brought before Govt. in 1858.

2. Dharwar Achappa, in whose behalf application for pension is now made, was employed for upwards of 22 years by the Govt. of Bombay, who discharged him in 1842, and declined to admit him to pension on the

ground that his ~~de~~ conduct did not entitle him to that privilege. He ~~was~~ subsequently ~~employed in~~ obtained employment in Mysore and in Masulipatam, and finally after holding the post of Tahsildar of Chellapalli for a year & a half, retired from the Service in 1842.

3. His total Service exceeds 30 years.

4. The Govt. of Bombay, on being ~~referred to~~ asked whether they objected to his Service in the Bombay Presidency being taken into account as ~~so~~ entitling him to ~~calculating for~~ pension, expressed an opinion that 8 years approved service might be allowed so far to expiate former misconduct as to permit of his reckoning his service in the Bombay Presidency as time counting toward the lower rate of pension.

5. The Civil Auditor considered that Petr's service in Mysore had not been fully verified. He therefore excluded that period, and calculating upon the preceding 5 years, ~~for~~ reported his average monthly salary to be 125 Rupees.

6. The Superintendent of the Chittledroog Division,

however, has now furnished a Statement certifying to Petr's service in Mysore. So that this period as well as that passed subsequently in Masulipatam may now be admitted -

6. The average ~~[illegible]~~ salary drawn by Petr. during the last 5 years of service, as now calculated, is found to be Rs 64-6-2 p.m., one-third of which or Rs 21-8-0 p.m. will be passed to him as pension+ from 25th Novr. 1852, the date from which he ceased to be employed -
