Chennathunby Moodliar late an Assistant in

for a Certificate on which to ground an Application
to Government for a pension.

I do hereby Certify that Chennathunby
Moodliar late an Assistant in the Accountant
Generals Office appears to me to be permanently
disqualified for the further performance of his
duty; and that relaxation from duty or judicious
treatment is not likely to improve his incapacity
it being the result of old age.

To The Chief Secretary
to Government,

Sir,

Pension Department.

1. I have the honor to submit, for the favorable
Consideration of Government, an application in the
prescribed form for a superannuation pension
on behalf of T. Chinnatamby Moodelly, late
Manager of the Military Department of
this Office.

2. T. Chinnatamby has been in the
employment of the Government for upwards
of forty two years, more than thirty of which
he has served in this Office. He possesses
favorable testimonials from three officers under
whom he served in the Office of Superintendent
of Family Payments, but he holds no Certificate
from either of my Predecessors in this Department.
He was dismissed on the 27th June 1851 from the
situation he then held by the Accountant General.

Report of the Civil Auditor

The Civil Auditor has the honor to report that the authorized official allowance drawn by M. Chinnatombly, Manager of the Military Department of the Accountant General's Office, for the last five years of his service, averaged Rs. 144-4-11 per mensem, and that his service under the Government in the Civil Department extends over a period of 30 Years 5 Months and 22 days; vizt from 1st April 1824 to 26th June 1851 - from 8th August 1851 to 25th January 1852 - and from 22nd February 1852 to 30th November 1859.

As his service since his dismissal in 1851 is not more than 8 Years 2 Months and 26 days he is entitled only to a gratuity under existing rules.

I think it but right however to point out that in less than two months after his dismissal he was restored to the same appointment he had held before, and his offence could scarcely have been so grave as to cancel the claims of a previous service of 32 years.

This man's conduct was prominently before the Govt in connection with the Tanjore Bond case in the Accountant General's office in 1851-52. The papers connected with that case are exceedingly voluminous. I obtained them from the Govt Solicitor who has had them in his keeping for some months, and have carefully looked through them.

Sir Henry Pottinger's Govt on more than one occasion expressed their distrust of the man, and pronounced his evidence upon several points to be false. He was dismissed in 1852 by the Accountant General for obtaining leave on a false plea of being sick, but was immediately restored by the Govt who expressed their disapproval of the order & forbade any further proceedings against him, pending the result of the enquiry into the charges preferred against the Chief Native Officer of the Accountant General's office. The order of

Principal having been granted.
 Chinnatun's case to pension
 because of course he prejudiced by
 that decision. The doubts expressed
 in respect to his trustworthiness are,
 I fancy, too vague to be accepted as
 sufficient to deprive him of his pension.
