I hereby certify that Mr. John
McLish, Head Master of the Zillah
School of Cuddapah, is in my opinion,
permanently disqualified by physical
ailments from the performance of his duty.

These ailments have not been caused
by intemperance or other irregular habits.

Medical treatment, or relaxation
from duty would, in my opinion, be useless
to effect a restoration to health.

From,

A. J. ARBUTHNOT, Esq.,

Director of Public Instruction.

To,

THE CHIEF SECRETARY TO GOVERNMENT,

Fort Saint George.

Sir,

I have the honor to submit, for the consideration of the Honorable the Governor in Council, an application, in the prescribed form for a superannuation pension for Mr. John McLeish, Head Master of the Zillah school at Cuddapa.

* Enclosed.

2. The application is supported by a Certificate* from the Officiating Zillah Surgeon, who states that Mr. McLeish is in his opinion, permanently disqualified by a physical ailment, a disease of the spinal cord, for the performance of his duty, and that medical treatment, or relaxation from duty, would be useless to effect a restoration to health.

3. I proceed to furnish the information, with reference to Mr. McLeish's application, which is prescribed by the Pension rules, as set forth in the Civil Auditor's Manual Chapter III, paras : 131--156. Mr. McLeish is a Scotchman, a native of Glasgow. His age is 52 years 5 months and 12 days. He proposes to reside in Europe, and draw his pension at the India House in London, if allowable, and if not, from the General Treasury at Madras, through an Agent. He has served in the Educational Department for 22 years and one month. He was first employed on the 1st October 1837 as Master of the Government Central school, and, on the abolition of that Institution in 1841, and the establishment of the High school, was transferred to the latter as an Assistant Master, in which capacity he served until the 31st January 1853, when he was appointed Head Master of the Primary School. This appointment he held until the 31st December 1857, when he was transferred to his present office, the Head Mastership of the Zillah school at Cuddapa. His monthly salary during the last five years, has been Rs. (200) two hundred. The cause by which he has been rendered incapable for discharging any longer the duties of his office, has been already stated. Throughout his service, he has borne an excellent character for industry and trustworthiness in the discharge of his duty. His moral character stands very high. The foregoing statement of his services is supported by the records of the department. He requests that his pension, if granted, may be made payable from the 1st January 1860.

4. I beg leave to recommend that Mr. McLeish's application for a pension of Rupees (100) one hundred per mensem. being a moiety of his average salary for the last five years, be complied with. His case, as the Government are aware, has already formed the subject of the correspondence noted in the margin; and the Secretary of State, in a Despatch dated the 6th October 1858, No. 5 intimated his willingness to consider favorably any special application that might be made in his behalf. Mr. McLeish has since completed the period of service necessary to entitle him to the scale of pension for which he applies.
