Memo

The Military Auditor General has the honor to acknowledge the receipt of the Proceedings of Government 30th Ultimo N^o 143, in the 3rd para of which he is requested in future to docket his letters to Government.

2. In reply he begs respectfully to state that his letters to Government are always docketed, as directed in the notifications in the Fort St. George Gazette quoted in the margin; but Memoranda returning letters to Government, which are docketed, do not seem to come within the orders on the subject above quoted. Separate Memoranda will of course be docketed, but if it is intended that all Memoranda separate, or otherwise, should be docketed, the Military Auditor General begs to be favored with the orders of Government to that effect.
