MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Officer in charge of Commandant of Engineer's Office, Chepauk, 21th April 1860,  
No. 86; to the Secretary to Government, Military Department, Fort Saint George.

With reference to the orders marginally quoted, I have the honor to submit a Statement showing the names, length of service, and rate of pay of each individual on the Establishment of the Commandant of Engineers, together with a column of remarks explanatory of the way in which I would propose to arrange for their future disposal.

No. 3733, dated 21st October 1859.  
No. 1447, dated 18th April 1859.  
List of Enclosures.  
2 Statements.

2. As far as I can judge of the actual duties and possible requirements of the Office, I think the following Establishment should be maintained viz.

|                                       | Monthly salary. |
|---------------------------------------|-----------------|
| 1 Draughtsman and Estimate Maker..... | 60 0 0          |
| 1 Clerk.....                          | 60 0 0          |
| 2 Peons at 7 Rupees each.....         | 14 0 0          |
|                                       | <hr/>           |
| Rupees.....                           | 134 0 0         |

3. References may occasionally be made to the head of the Corps for information on professional subjects to prepare which he would require some assistance, but though the establishment may be limited in number, it should I think be composed of efficient servants and for that purpose the suggested salaries appear to me no more than adequate.

4. I do not consider any of the present Clerks likely to render further good service, and the Draughtsman, though capable of performing his duty as such, has not the qualifications I now deem necessary, but of course he could be retained till opportunity offered for his suitable employment elsewhere.

5. Should Government approve of this proposition, a Statement in the prescribed form will  
injection.

With Military Auditor General's Report, 8th May 1860, A.

ORDER, No. 1887, 21st May 1860.
