This is to certify that I have examined Paupoo Naick, Shroff in the residency Treasury Quilon; who states that he is 77 years of age, and 33 years service. I find him a poor worn out old man, shaking with the palsy, and possessing a defective memory, and dimness of vision. It is my opinion that he is both physically, and mentally disqualified (and that permanently) for the performance of the duties of a Shroff; and that he is a fit subject to receive the pension allowed by Government, to persons of his grade and service.
