District -

In No 2236 of 1860
Sub. Gunn 14 May

In Con. 23rd April 1860, No. 1,831.

From W. KNOX, Esq., Collector of KRISHNA DISTRICT,
dated Masulipatam, 18th April 1860, No. 76.

I have the honor to acknowledge the receipt of the Proceedings of Government, dated 28th February 1860, No. 314, communicated through the Board to me. I deferred to answer the call of the Government in their Proceedings referred to, and submit the lists of the servants displaced by the amalgamation of the two Collectorates, with the register of applications for pensions and gratuities, until I knew what number of the displaced servants Mr. Purvis could provide for, and whether those, who were offered situations, were willing to go to his district. There have been several changes since I took charge of the enlarged district. Two tahsildars have died and the Superintendent of Salt at Chinna Ganjam lately resigned; this, while it enabled me to give appointments to parties thrown out, prevented my submitting my list as early as it otherwise might have gone. Mr. Nailer, the petitioner referred to in the Proceedings of Government under reply, has been sent to act as Salt Superintendent at Chinna Ganjam with a promise of the confirmed appointment, if he is found equal to it, of which I have little doubt as he bears a good character and is young and active. He was for a short time employed by me as Head English writer, and as I had from first promised to provide for him as early as possible, he had but little cause for troubling Government.

Enclosure A.
* Enclosure B.
*Vide Enclosure C.
† Enclosure D.

2. In obedience to the Orders contained in paragraph 2 of the Proceedings of Government under reply, I beg to forward herewith a list of my present establishment, shewing the length of service and the appointment held by each individual previous to the 16th December last, as well as another list* containing the name, age, pay, the length of service up to the 15th December last, and the qualification of each servant who has been thrown out of employ; shewing also who have since been provided, with permanent appointments in this district or elsewhere, or recommended for pension* or gratuity† as the case may be. In making my selection for the new district, it must be remembered that I was personally unacquainted with any of the Guntoor servants and had time for but a very short conversation on their merits with Mr. Master; but as far as I could do, I acted strictly up to the Orders of Government, and without favoritism, endeavoured to select the best men from the two Huzur Kacheris. Of these, twenty four men belonging to the Masulipatam Kacheri and twenty-three to Guntoor were thrown out of employment as shewn in the margin; of whom, I am glad to report, many have since obtained situations either permanent or temporary as shewn in Enclosure B. Of the twenty-nine men taken from the Guntoor Kacheri, twenty-four are employed in the Huzur Kacheri and five in the Sub-Collector's office.

3. As regards the press establishment, the Masulipatam men were the better workmen. The Guntoor men just before the change of districts, had, I was told, an offer of employment in Kurnul but all refused.

4. The Deputy Collector Venkatarao's establishment was formed wholly of Guntoor men with the exception of one Gumasta out of his former establishment.

5. In due deference to the remarks of Government, that only half dozen persons of those formerly in the Huzur Kacheri at Guntoor, have been provided for, i. e., with appointments of the value of 30 Rupees and upwards, I respectfully submit my reasons for giving the higher appointments to Masulipatam men in the Huzur.

The Manager is a Guntoor man.

The Sub-division Manager is a Guntoor man.

The Deputy Manager of Masulipatam has kept the place, and the man, who was acting in Guntoor, has been appointed tahsildar of Kurapad taluq on 100 Rupees.

The Revenue Head Munshi of Masulipatam has kept the place, as there was no head Munshi in Guntoor; a Sherista Gumasta on 35 Rupees performed the duties of the office.

The Magistrate Peshkar is a Guntoor man.

The head English Writer of Masulipatam kept his place, as there was no head Writer in the Guntoor Kacheri at the time, the duties of that office having been performed by the late Deputy Manager.

The head Accountant, Mr. Marjoribanks, kept his place, as he in every way, deserved the post; he was an older servant than the head Accountant of Guntoor. He was receiving 140 Rupees, whereas Mr. Nailer was receiving only 100 Rupees, but the latter is now in the receipt of 150 Rupees as Salt Superintendent at Chinna Ganjam in this district.

The Masulipatam Cash-keeper is too deserving a man, and too good a public servant to be turned out. I believed him to be on every account preferable to the Guntoor Cash-keeper, who is, I understand, in debt, and so not eligible for such a post.

The Telugu Record-keeper's situation was given to Challapilli, Venkatacrustnama, the object of the correspondence noted in the margin, as he was willing to be reduced from 35 to 30 Rupees.

From Board 13th February 1860, No. 787.
To do. 20th do. No. 38.

The Guntoor native Record-keeper was appointed Sheristamadatgar on 20 Rupees, and has been lately appointed by Mr. Purvis as the native Record-keeper in his Kacheri.

The English Record-keeper of Masulipatam, a clever young man, has kept his place and the Guntoor English Record-keeper has applied for pension.

The Translator of Masulipatam Kacheri has kept his place of 45 Rupees; he is a servant of some standing and good character, and was lately in receipt of 70 Rupees as head English writer, from which I was obliged to remove him; in consideration of this, and of his being a good translator, he was retained, and the Guntoor translator was provided with 30 Rupees situation and has been since promoted to 50 Rupees appointment.

6. From the aforesaid explanation, I trust that the Board and the Government will see that, in keeping a greater number of the heads of the departments in the late Masulipatam Kacheri, I have done the best I could for the public service. It was an invidious and most unpleasant duty; but I endeavoured, to the best of my judgment, to do it fairly and honestly; and I submit I have done so, where it did not interfere with the efficiency of the office that was to be considered even before a fair division.

7. The accompanying Register of Applications for superannuation pensions contains only the Masulipatam men. A similar Register for Guntoor men will be submitted as soon as the requisite information is received from other districts. The register of gratuities is complete.

Thrown out of employment on account of the amalgamation of the 2 Districts and recommended for Pension under the orders of Government dated 4th November and 22d December 1859

The applicant has served with unblemished character during the whole period of his service. Mr. Newill recorded his opinion that he had given him great satisfaction during the period he was engaged on the settlement of disputes of Kistna Islands- The applicant would have served still longer had it not been for the amalgamation of the Districts and the Collector therefore begs to recommend that this individual may be favored with one half Pension leſs 1/2 Rupee, to wit 17 Rupees per mensem-

The applicant was retained in the service upto 25th January 1860 for the purpose of making over charge of the records of the late Guntoor District agreeably to the orders of Government dated 22d December 1859. His Pension is therefore to commence from 26th January 1860-

Proceedings of the Board of Revenue, dated 23rd May 1860.
Do. Government, in the Revenue Department, dated 16th June 1860, No. 1,001.

Order thereon, 12 July 1860, No. 213.

1. With his letters recorded above the Collector of the Krishna District submits recommendations for pensions and gratuities in behalf of a number of servants who were thrown out of employ by the absorption of the Guntoor Collectorate.

2. The recommendations for pension made in the list (B) submitted with his first letter are confined to discharged servants belonging to the old Masulipatam District Establishment. The list contains six names. To Nos. 1, 10, 16, 20 and 23 (or, as they are entered in paragraph 5 of the Board's Proceedings, Nos. 1, 2, 3, 4, and 6,) the Government grant pensions at the rates proposed. It is not explained why the higher rate of pension is recommended for No. 19, (Board's No. 5) who has been employed under Government for only 26 years and whose *continuous* service amounts to only 22 years. He will be pensioned at ⅓ of his salary.

3. In the Guntoor list submitted with the Collector's letter, dated 10th May, M. Lutchmináráyana and A. Rámaswámi, who have served for 26½ and 34 years respectively, will be pensioned at the rates sanctioned by the Rules. K. Nursinga Ráu (Board's No. 9) can show only 18 years of *admissible* service. He has, however, been employed under Government for above 30 years: he is more than 50 years of age, and not likely at his advanced time of life to obtain further employment. Looking also to the fact that his present retirement is not of his own seeking but is required upon public grounds, the Government resolve to grant him, as a special case, a pension at the lower rate. N. Tirumal Ráu (Board's No. 10) has served the British Government for about 18 years. As, however, he is only 45 years of age and is still capable of work, the Government do not consider him a fit subject for a superannuation pension. His name will be entered in the gratuity list. V. Venkatakrishna Ráu (Board's No. 11) has served in the grade of Moochee for upwards of 34 years, and is recommended for ½ pension as a special case in consideration of his long service. The Government regret that they feel obliged to withold their sanction to this deviation from the Rules. The grade of Moochee was expressly excluded by the late Court of Directors from the benefits of the Pension Rules. He will be included in the gratuity list.

4. The pensions sanctioned in the foregoing paragraphs are shown in the following table:

-mendations for

Nos. 7½ and 9 in list D.

5. It is not clear why Nos. 20* and 22* (*Guntoor*) in list B, are not recommended for pension. The claim of these persons seems about on a par with that of T. Seviah who has been pensioned, and certainly superior to that of N. Tirumala Ráu for whom a pension was proposed. They are both *temporarily* doing duty, and the latter, it is stated, will not be confirmed. In the event of their being altogether thrown out of employment, the Government will be prepared to grant them pensions if there be nothing on record to their prejudice and the Collector sees fit to submit an application in their favor.

6. Enclosure D, in Collector's letter, dated 18th April is the list of persons for whom gratuities are proposed. Those numbered 4, 7, 35 and 42, having declined to take service elsewhere, are clearly entitled to no consideration and may be struck out of the list. Nos. 41 and 51 are similarly reported to have declined to enter upon other duties, but as they have already served 29 and 35 years respectively, this refusal, as the Board remark, is reasonable at their age. These two will be recommended for gratuity.

7. The names entered in list D, except those numbered 7½ and 9 (paragraph 5 supra) and 4, 7, 35, and 42 (paragraph 6) will be submitted to the Government of India with this Government's recommendation that gratuities be given according to the scale recently sanctioned. It will be understood that, in the case of those who are now doing duty in temporary appointments, the gratuities when sanctioned will be withheld until they finally cease to be employed.
