J. William Campbell M.D.
Surgeon Major in Her Majesty's Indian
Service do hereby Certify that I have carefully
examined M. Rathamavapetty, a Writer
of the Government Office in the Revenue Depart-
ment, I find that he is a good deal worn, is
suffering from Diabetes and general debility,
that he is not likely at his time of life to derive
benefit from treatment and that in my opinion
he is unfit for further duty and that the
above state of ill health has not been caused
to the best of my belief by intemperance or irre-
gular habits.
