Secretary to Government

Sir

With reference to the Proceedings of Government No. 251 under date the 30th April last directing me to carry out the arrangements suggested by Mr. Breeks and approved of by Government in remodelling the Account Department of this Office, I have the honor to state that among other arrangements, it was decided to absorb the pay of one Writer on 35 Rupees on the first opportunity. I therefore reported to the Board that a Writer of this department named V. Nursiah naidoo receiving a salary of 35 Rups. & whose period of service extends over 32 years, has expressed his willingness to take his pension if he may be allowed the scale of pension accorded to Servants of that standing when there are no broken periods of service, and that there are such broken periods in Nursiah naidoo's

service

Service so that he would not under the Rules be entitled to half the amount of his salary as a pension and I recommended the rule being waived in his case and a pension of 17½ Rupees granted to him, in order that the arrangement already alluded to, might be carried out - Nursiah Naidoo is an elderly man and a fit subject of a pension but not as yet incapacitated for work - I applied to the Board to request the Sanction of Government for this arrangement, but the Board in their reply directed me to submit an application direct to Government in the prescribed form for a Superannuation pension for Nursiah Naidoo; I have the honor therefore to submit Nursiah Naidoo's Application* &c in the usual manner, and solicit that the case may be viewed as an exceptional one, and a pension granted him as proposed Viz Rs 17-8-0 -

2° I have addressed Mr Pelly in reference to the other steps necessary to complete the arrangement sanctioned by Government & secure for this District a more efficient department of account -

1. In an order dated 30th April 1859 the Govt. directed, among other arrangements, that the pay of one writer in the account Depart.t of the Ganjam Collr.'s office should be absorbed on the first opportunity – The Coll.r now reports that one Narasaya

Rayudu has expressed his willingness to retire if half pension be given him.

2 — This individual has been employed under Govt. for above 32 years, but, in consequence of ~~being~~ there being 3 breaks in his service, and as he is not yet incapacitated for work and ~~cannot~~ is unable to produce a medical certificate, he is not, strictly speaking, entitled to pension. The first of the breaks was occasioned by the applicant's illness, and the second by the abolition of his appointt. In 1841 he was dismissed for exceeding his leave, in consequence of troubles connected with a suit, in which he and his father were sued for debts contracted by the latter. On this occasion he was out of employ for more than two years. The offence ~~appears~~ does not appear to have been a grave one.

3 - Under all the circumstances, as the arrangement is proposed with the view of doing away with the appointt. without hardship to the ~~indi-vidual~~ incumbent, and as the concession will cause an immediate saving, the Govt. ~~resolve~~ will not object to relax the rules. Resolved accordingly that a pension of ~~Rs. 20~~ Rs. 16-4-0 being a

moiety of his average monthly salary during the last 5 years be granted and that certificate be issued making the same payable from the Ganjam Collr. Treasury from the date on which the applicant shall cease to be employed.
