Letter dated 25th May 1860.
from the Civil Auditor.

Order thereon dated 30th July 1860 No. 245

A very equitable decision, — which might have been arrived at sooner.

1. With the first of the above letters the Collr. of Kurnool submits a register of application for superannuation pension in favor of Narasingha Rau late Head Goomasta of Nundicotcur Talug.

2. This individual has served the British Govt. for 16½ years, to which must be added 16¼ years of Moghalaï service, total 32¾ years.

3. "In consequence," the Colr. States, "of the applicant having been unable to perform the duties of his office he resigned on the 15th June 1856 on a promise made by the late Offg. ~~by~~ Commissioner Captain Russell that he would obtain for him a pension; and another person was appointed in his stead on the 16th June 1856." This, it need hardly be said, was irregular & objectionable. The Applicant at the time was not even *eligible* for a pension under the rules, there being nothing on record in support of the statement that he was incapacitated for further work. The Colr., it must also be observed, does not explain why the matter has been left in abeyance so long: it only seems to have been revived by the party appealing to the Board of Revenue in the

beginning of the present year.

4. It would not however be equitable to allow this old servant to suffer for a fault not his own. It is 37 years since he commenced his service, & a medical certificate declares him permanently disqualified by old age & infirmity.

×dated 19th April 1860.

Resolved accordingly that a pension of 8 Rs. ~~be~~ being a moiety of his salary during the last 5 years of his service, be granted,

No 2409

and that a certificate be issued making it payable from the Nundicotcoor Taluq Treasury from 16th June 1856. the date from which he ~~resigned. tired~~ resigned his post.

## *PROCEEDINGS OF THE MADRAS GOVERNMENT.*

Read the following letter from T. J. KNOX, Esq., Officiating Collector of Salem, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Palakód, 8th March 1860, No. 26.

I have the honor to submit for the consideration of Government the necessity of removing to the Pension List, Ghulám Rasúl Sáhib, Deputy Collector 4th Class, in this District.

2. His service extends over 32 years, and he is aged 57. He was made a Deputy Collector because the Office he then held as Sub-Collector's Sarrishtadár was abolished, and I am convinced no Officer acquainted with him, can have recommended his promotion, as it is well known that Mr. Brett made him in 1855 Sub-Collector's Sarrishtadár on the distinct understanding that he should retire whenever he became entitled to a pension.

3. He is old and infirm and whatever he may have been in former days, is wanting in nerve and judgment for his present responsible post.

4. I beg to propose for the consideration of Government that he be allowed to retire from the 1st April on the usual pension, the necessary particulars about which will be supplied in due course, and I beg that I may be provided with another with special qualifications, if procurable, as a Police Officer.

ORDER THEREON, 27th March 1860, No. 468.

The Government authorize the Acting Collector of Salem to take the necessary steps for the transfer of Ghulám Rasúl Sáhib, Deputy Collector of the 4th Class in that District, to the Superannuation Pension Establishment from the 1st April next.

Petitioner resigned the servic on the 15th June 1856. His application to the Collector was made in January 1859 two and half years after his resignation. It appears from enquiry that the late Asstg. Commissioner promised to obtain a pension for him if he resigned and that he did so but was not pensioned Petitioner having served Government faithfully for a period of 17 years and the Mogulyan Government for 28 years is deserving of the favorable consideration of Government. If the Board see no objection the Collector will submit Petitioners applicatio for
