To, R. P. Harrison Esquire,
Accountant General

Sir,

I regret to inform you that the state of my health from some time since has been so much injured as to render me incapable of satisfactorily attending to my duties; - hence my frequent applications of late troubling you for grant of leave. - I now feel my constitution to be so far impaired, that I have little hope of further being able to continue in my post, I therefore beg the favor of your referring me to the Surgeon of the 1st District, where I reside for a certificate of my inability for further effective service. -

I have now served the Government for a period of 25 years during one fourth of which, or nearly seven years, I had been in temporary employ^{ment} between the year 1832 & 1837 as Head Clerk under the Honorable G. E. Russell late a Member of the Madras Council, in charge of the Proceedings of the disturbed Provinces of Purlah Komedj and Goomsoor, and between the years 1839 & 1841 as Examiner in the Military Department of the Government Secretariat. - The rest of my service viz^t 18 years has been in fixed Establishments as

as Head Clerk in charge of the Estate Department in the Office of the Military Secretary to Government from 1842 to 1855, and from the latter year up to date in this Office as Examiner in the Military Department, Head Recordkeeper, Head Accountant in the Revenue Department, and Indexer in the General Department. -

The period of my permanent services falls short of the term eligible for pension by two years, and under the rules for Superannuation pensions, I am not entitled to a bounty from Government of that description, but to simple gratuity. If however I shall take sick leave for two years which is allowable under the Rules on half pay for the first year and one third for the second, I shall then be eligible for a pensionary provision from the Government. but instead of pursuing such a course, which will in no wise benefit Government as far as I am concerned, I beg to request you will have the goodness to recommend me at once as a special case for Superannuation pension in consideration of my General Application to business, faithfulness of service, the long period of my temporary employment, and especially the service one of confidence and responsibility, which I have rendered to Government under the Honorable Mr. Russell. -

I beg to remain &c.

From
The Accountant General
To The Chief Secretary
to Government
Fort Saint George
Sir,

I have the honor to submit
for the consideration and orders of Govern-
ment copy of a letter dated the 1st Ultimo
from Mr. Rajagopal Modelly an Assistant
on this establishment, representing his inability
to attend to his duties owing to ill-health, and
praying that he may be recommended as a
special case for a Superannuation pension,
to which he is not entitled by length of service.

2. Rajagopal Modelly was directed
upon receipt of his letter to attend upon D^r
Montgomery the District Surgeon, and send
two Certificates from that Officer. In the first
dated the 10th Instant D^r Montgomery states
that Rajagopal Modelly is in a weak state
of

of health, and that he does not think he will ever recover sufficiently to enable him to resume his duties. The second Certificate dated the 14th Instant was granted by Dr. Montgomery after he had been requested by me to certify to the present state of health of Rajagopal Modelly, and is to the effect that he is suffering from Dyspepsia and general debility, and that the state of his health now is such as to incapacitate him for the performance of his duties.

3 Rajagopal Modelly has served the Government (in situations the time of employment in which, counts for pension,) for upwards of 18 years. In July 1859 (previous to which time he had been always regular and attentive to his duties) he obtained leave of absence for six months from my Predecessor, on private affairs. He returned from this leave on the 3^d January 1860, and from that time owing to ill health, and I believe to mental anxiety caused by domestic affliction, he has been irregular in his attendance, and has

Gazette dated the 20th
ultimo.

118
has appeared quite unfit for work. He has been absent during the current year 83 days on sick Certificate, besides casual absence amounting to 3 days. Latterly in fact, his object appears to have been to endeavour to hang on in some way or other until he could claim a pension. The amount of additional sick leave which could be allowed to reckon as service, would however, extend his period of service to the full term of 20 years, and as he is pronounced permanently disqualified for the performance of his duties, I have thought proper, with reference to the order of the Government of India N^o 21 dated 20th March 1860, to remove him from the Establishment.

4 In consideration of his length of service and good conduct, as long as health remained, I beg to recommend that Rajagopal Modelly be allowed a gratuity equal

equal to six months pay-
