I William Campbell Maclean Esq
Surgeon Major in Her Majesty's Indian
Service do hereby certify that I have care-
fully examined T. Appajee Mosley
Bookkeeper in the Government Office
Military Department, I find that his
vision is almost lost from old age
and not likely to derive benefit from
medical treatment, and that in my
opinion he is unfit for further duty
and that the above has not been caused
to the best of my belief by intemperance
or irregular habits.

Colonel H. Marshall

Secretary to Government

Military Department

Honored Sir,

I mocha Appaise most humbly presume to intrude on your honors valuable time with this humble address in the confident hope that my papers will procure me the length solicited from your honors generous and benevolent hands.

I must respectfully take the liberty to state that I first entered as a mochee in the Political Department in 1822, on account of the diligent and careful discharge of my duties Mr. Chamier the late Military Secretary to Government, transferred me to the Department. In 1833 Colonel Fraser having been appointed Political Agent to the Cong War, I was ordered to accompany that Gentleman together with an Establishment of Head Clerk and others, on arriving at the Camp Colonel Fraser committed to my charge the Stationary Records &c in addition to my own business. I beg to mention that I carefully performed those duties by attending in said Tent both day and night. That Gentleman having been pleased with my

my services, after the cessation of War he took it with his own
accord to recommend me to the Supreme Government for the
grant of reward in connection with the Establishment that was
employed with him on the occasion, and accordingly I had a reward
of Rupees 35 bestowed upon me.

In 1841 Colonel Steel the then Military Secre-
tary having been appointed Commissioner during the Kurnool War
he was pleased to take me as a Moohet of the Commissioners
Office; during this time also, I was placed in charge of the Records
and Stationery in addition to my own business. There also I
had to attend both day and night in Camp with that Gentleman
to answer his calls until the war was over.

The present Registrar Mr. De Monte who has
been long in the Department is well acquainted with the truth
of my Statement and with my services in the Department and
will be referred to, he will be able to explain the matter more fully.

After a long and faithful service of 36 years,
both in the Department by attending daily until the Office is
closed as well as twice in Campaign away from my family
infirmit rendering me quite unable to perform my business I
most submissively request your honor to take my foregoing
arduous services into your honor's kind consideration and
grant me a small pension and this by order my Son Nardinasawmy
who

who is about 49 years of age, and who understands the business
of a Moohet being entertained in the Office in my room.

Being fully aware of your large benevolent disposition
it is needless for me to appeal to your sympathy by expressing
that not being of a class entitled to pension although my service
extends to 36 years I must in my old days be left destitute
unless provision is made for the employment of my Son who
will be the only means of supporting me.

29th May 1860.

I beg leave to remain,

Respected Sir,

Your most obedient humble servant.

N. Nardinasawmy
