I certify that I have this day Examined
Alice Smith a Person attached to the
Master Attendants Office. He is a frail
worn out old man, 67 years of age, &
afflicted with Enlargement of Prostate of
great size. He is quite unfit for any
further service, & his incapacity is not in
my opinion attributable to any impudence
on his part.

Sir

I have the honor to represent for the
favorable consideration of Government the
following case of a peon on the establishment
of the Master Attendant at Vizagapatam.

2 Ali Sahib, 61 years of age, has served
as a peon for upwards of 40 years and has
always, as far back as the Master Attendant
has experience, borne a good character, and
performed his duties satisfactorily. He is
now from old age incapacitated for fur-
ther work and the Civil Surgeon, who signs
the certificate herewith forwarded, testifies
that in his opinion this incapacity is
not occasioned through any fault of
his own.

3 Under these circumstances I
would

would solicit that on discharge he should be granted a gratuity of 6 months ^{*} salary under the Civil Pension and Gratuity Rules.

In cases where a servant of the Marine department is pensioned or granted a gratuity I presume that the same proportion thereof should be debited to the Port fund as had been borne by it when he was in receipt of his full salary, provided the service for which consideration is given was performed during the time the fund was in existence. An adjustment of this nature seems to me correct in principle, and even when part of the service may have been before and part after the establishment of the fund, there will be no difficulty in apportioning the sums to be debited respectively to it and to the State. But in the present instance nearly all the service was passed during the period when the port dues were credited to Government, and I would venture to submit that the gratuity should not

not be a charge on the Fund.
