To

Lieut Colonel W. H. Horsley.
Chief Engineer
Madras.

Sir,

Feeling conscious from the debility caused by recent attacks of Rheumatism, from general ill health, and the increased dimness of sight consequent on the growing infirmities of old age, that I shall not be able to continue much longer to perform efficiently the duties of Head Draughtsman in the Central Office, I beg, respectfully to be permitted to retire from the Service, and trust that you will be pleased to solicit Government to grant me a gratuity of Six Months salary - the usual boon conferred in such cases.

In September last Colonel Bell was pleased to submit with his support an Application which I made for a retiring Pension after 33 Years Service, but the Government unfortunately for me decided that I was debarred from all benefit under the Pension Rules. Under these circumstances I have no alternative but to seek a gratuity, now that I am compelled to relinquish my place, and I earnestly entreat
Yours

9
Your support and favorable consideration of
this my last appeal made after a long and
laborious service under Government.

I have only further to request
that I may be allowed to retain my place
in the Office until a reply has been received
from Government to your recommendations of
my case.

I beg leave to remain,

Sir,

Most Respectfully,

Your Most Obedient & Humble Servant,

Just Gant^r.

Sir,

I have the honor to submit for the favorable consideration of Government an application from M^r. Cauty, Head Draftsman in the Central Office Public Works, soliciting permission, on the grounds of being disabled by sickness, and increased dimness of sight, to retire from the service with a gratuity of six months salary.

In September last M^r. Cauty memorialized to be allowed to retire, after an aggregate of 33 years service, on the pension of his grade, and in recommending the same to the favorable consideration of the Honorable the Governor in Council, Colonel Bell furnished a concise statement of M^r. Cauty's services, a copy of which I herewith enclose. The Government

were, however, of opinion that as Mr. Canty had been formerly dismissed from the service, he was debarred from all benefit under the Pension Rules, and that the circumstances of his case did not warrant their departing from the principal therein laid down.

On the receipt of these orders in October 1859, Mr. Carter would have vacated his appointment at the end of that month, but as his health subsequently improved so much as to admit of his performing his duty, he was allowed to continue in the Office up to this time. His present infirmities are, however, of such a nature as to preclude any hope being entertained of his ever again being able to attend to his duties in an efficient manner, and accordingly, I have the honor, in transmitting his application to be allowed to retire from the service, to strongly recommend that, in consideration of his long servitude, (34 years) the last five of which have been continuous, he may, as a special case, be granted a gratuity.

of six months salary, amounting to
Rupees 840/ Eight hundred and forty.
In accordance with the rules of the service,
as laid down in the orders of the Government
of India, communicated in the Proceedings
of Government, dated 28th May 1860 N: 239,
Mr. Gantz is eligible for a gratuity of
three months salary, taking into con-
sideration only the time spent in this
Department since his appointment to
it in August 1855, but it is hoped that
his previous long service in the Chief
Engineers, Surveyor General's and Madras
Collectors Offices will also be taken
into account and secure for him the
gratuity for one who has served more
than 20 years.

Order thereon dated 13 Sept 1860. No. 313

Referring to in-
structions just re-
ceived from the Govt
of India respecting
the grant of gratuities,
it seems doubtful
whether Mr. Gault has
not forfeited his claim.
It is laid down that
gratuities are not
to be given as a
matter of course but
only where the con-
duct of the person
88940.

...has been such as to
entitle him to con-
sideration". This must
certainly, in Mr. Gantz'
case, be held to exclude
all service previous
to his dismissal. He
~~appears however to~~
have since his re-
employment however
he appears to have
endeavoured to atone
for the past, and
his conduct is favor-
ably noticed both
by Col. Bell, and by
the present Chief En-
gineer. Under these
circumstances the
Govt. are pleased to
grant a gratuity equal
to three months pay,

that being the amount
assigned for period of
^{more than five and} service, less than 10
years. -
