the House of Representatives

This is to certify that I have examined
Mr. Leonard de Rosario, Head writer in the Civil
Court. he states that he is 65 years of age, and that
he has served 42 years. In consequence of his old
age and general debility he has become quite unable
to perform his duties, his eyesight is very defective,
and his memory fails him greatly, as there can
be no hope that this condition will ever improve
and as it is the natural result of his age, I consider
that he is in every respect a fit subject to
receive the Government pension of his rank
and service.

Sir,
I have the honor to submit for the favorable consideration of Government, the accompanying application of Mr. Leonard de Rosario for a pension which calculated according to the order of Government dated 15th May 1851 will amount to Rupees 35-0-0 as shown in the accompanying Register.

2. Nothing otherwise than of a laudatory character has been recorded of Mr. Rosario, during a long service of more than 40 years.

3. I can testify to the physical and mental unfitness for the further performance of his duties of which the Civil Surgeon speaks. These are the result of advanced age and have very seriously impeded the prosecution of an important inquiry into the state of the accounts, proceeding under the orders of Government and of the Court of Sadr Adalat.
