I hereby certify that I have
carefully examined Ranga Rao,
Minister of Mangalore. I
find him to be an old man with
flabby infirm condition of the
muscles and large protuberant
belly, impaired power of vision,
total loss of teeth and other in-
dications of confirmed old age.
In my opinion he is quite unfit
for the active duties of his Office.

There is no reason whatever
to think that his disease or general
infirmity has been caused by in-
temperance or other irregular living.
