Sir,

1. In submitting an applica-
tion from Venkub Row Head Gammatiah attach-
ed to the Salt Amildar's Katcheri for Super-
annuation Pension, I have the honor to state
that his service extends over a period of 33 years &
6 months & 24 days, until he declared himself
unable to perform his duties, as confirmed
by the Zillah Surgeon. Of this service 11 years &
1 month & 14 days will not count for pension,
during that time, he held the office of Ziladar
on a salary of only 10 Rupees per mensem. &
During the remaining portion of his service
amounting to about 22 1/2 years, he was once
dismissed from employ for frauds in the
Salt Department and for making false en-
tries in the accounts. If his services pre-
vious to his dismissal are not to be included,
his remaining service will be less than 20
years, which bars his right to claim a pension.

Report of the Officiating Civil Auditor.

The Officiating Civil Auditor has the honor to report, that the Authorized Official Allowance drawn by Venkata Row late Head Goomastah in the Salt Amildar's Kutcherry on the Establishment of the Collector of Madurai was, when he ceased to be employed, Rs. 17-8-0 per mensem; and that his service qualifying for pension extends over a period of 16 years 4 months and 26 days, viz: from 9th February 1814, to 30th June 1860, which is below the minimum period of 20 years prescribed by the rules. He is not therefore eligible to any pension.

In addition to the service stated above, this person was in Government employ from August 1831 to February 1842 when he was dismissed. This dismissal was afterwards reversed on the ground that the charges against him were not proved and he was again employed.

If the Government allow this previous service to count his service entitling to gratuity will extend, in addition to the period aforesaid, over a period of 10 years 5 months and 23 days, viz: from 16th August 1831 to 7th February 1842 and he will be entitled to a gratuity of 6 months pay. If otherwise he will be entitled, under the new rules to a gratuity of 5 months pay only.

Sir,

With reference to the Government Order of the 10th instant. No 365 in the Public Separate Department, I have the honor to state that as mentioned in my report of the 30th August. No 260 - Venkata Rao's service in qualifying for pension extends over a period of 16 years only, and he is consequently not entitled to any pension.

His service prior to 7th February 1842 was in appointments not counting for pension though such as would entitle him to grant in the Proceedings of the Government of the 21st Ultimo No 340, this service has apparently been counted as one qualifying for pension. His service prior to his first dismissal also seems to have been taken into account.

Sir,
