Sir,

1. In submitting an application from Venkat Row Head Gumastah attached to the Salt Amildar's Katcherie for superannuation Pension, I have the honor to state that his service extends over a period of 33 years 6 months & 24 days, until he declared himself unable to perform his duties, as confirmed× by the Zillah Surgeon. Of this service 11 years 1 month & 14 days will not count for pension; as during that time, he held the office of Ziladar on a salary of only 10 Rupees per mensem. During the remaining portion of his service amounting to about 22½ years, he was once dismissed from employ for frauds in the Salt Department and for making false entries in the accounts. If his services previous to his dismissal are not to be included, his remaining service will be less than 20 years, which bars his right to claim a pension.

× vide Certificate enclosed.

2. If the Government do not see fit to grant

grant him a pension, I beg to recommend a gratuity being granted him — A Statement of services is also enclosed. I have the honor to be

Report of the Officiating Civil Auditor.

The Officiating Civil Auditor has the honor to report, that the authorized Official allowance drawn by Vencata Row late Head Goomastah in the salt Amildar's Hutcherry on the Establishment of the Collector of Madura was, when he ceased to be employed, Rs. 17-8-0 per Mensem; and that his service qualifying for pension extends over a period of 16 years 4 Months and 26 days; Vizt: from 9th February 1844 to 30th June 1860, which is below the minimum period of 20 years prescribed by the rules. He is not therefore eligible to any pension.

In addition to the service stated above, this person was in Government employ from August 1831 to February 1842 when he was dismissed. This dismissal was afterwards reversed on the ground that the charges against him were not proved and he was again employed.

If the Government allow this previous service to count his service entitling to gratuity will extend, in addition to the period aforesaid, over a period of 10 Years 5 Months and 23 days; (Vizt. from 16th August 1831 to 7th February 1842) and he will be entitled to a gratuity of 6 Months pay. If otherwise he will be entitled, under the new rules to a gratuity of 5 Months pay only.

Sir,

With reference to the Government order of the 10th instant No. 365 in the Public Separate Depart:ment, I have the honor to state that as mentioned in my report of the 30th August No. 290 Vencatta Rao's service as qualifying for pension extends over a period of 16 years only, and he is consequently not entitled to any pension.

His service prior to 7th February 1842 was in appointments not counting for pension though such as would entitle him to gratuity; in the Proceedings of the Government of the 21st Ultimo No. 340, this service has appa:rently been counted as one qualifying for pension. His service prior to his first dismissal also seems to have been taken into account.

From the Civil Auditor
dated 1st Octr 1860

[illegible] Auditor
dated 13th Octr 1860

Order thereon data 20th October 1860 No 390

From the above letters it appears that, in the order in the Public (Sep) dept. dated 21st Ulto No 340, credit has been given to Venkata Rao for a portion of service not properly admissible for pension.

The break in his service caused by his dismissal in

1842 does not, as stated in the order, ~~prevent~~ preclude him from counting his previous service, but as from 1832 ~~to~~ ~~[illegible]~~ to 1842 he was employed in a situation whose salary was only (i.e. did not exceed×) Rs 10. p.m., this 10 years should not have been taken into account. The aggregate of admissible service being thus reduced to 16 years, or 4 years below the minimum required by the rules, the order granting pension must be withdrawn and the certificate cancelled.

× Civ. Audr's Manual Chap III. 130.

The Govt. sanction a gratuity of 6 months pay or Rs 105. If any payment has been made upon the pension certificate the amount will be deducted from the gratuity.

The Civil Auditor is requested, in future reports, to ~~state~~ explain ~~strictly~~ the reason for which he excludes any portion of service from his calculation.

I have the honor to submit for the favorable consideration and orders of Government an application from Mr. F. X. Correa, 2nd Draftsman in the Central Office of Public Works, enclosing a Medical Certificate of his unfitness for further service in the Department, and soliciting the grant of a pension under the Uncovenanted Service regulations.

2. It will be observed from the accompanying Extract from this Office Register that Mr. Correa entered the Office of the Superintending Engineer Presidency Division in July 1819 as a Draftsman, and that until the end of January 1824 his salary (10½ Rupees per month)

was

was paid to him, according to a then prevailing practice, by arrangements made in the Office. Subsequently,ˣ his name was brought on the regular strength of the Department and entered in the Office Pay Abstract, and his service has, I notice, been continuous ever since, he having been transferred successively to the Office of the Inspector General of Civil Estimates, the late Board of Works and to the Central Office, in all of which he appears to have afforded the utmost satisfaction in the discharge of his duties, very favourable testimony thereto being borne by Major Ross, Lieutenant Vardon, Colonel Faber and Colonel Bell.

ˣ From 1st Feby 1824.

3. During my own tenure of Office Mr Correa has performed his work in a most diligent and praiseworthy manner, and if he had so desired it, I should have been quite willing to have recommended him for a good service pension, seeing that his servitude extends over 36 years. He has, however, obtained a Medical Certificate of his incapacity for further active service, and in submitting the same for the orders of Government, I have the honor to recommend strongly that he may be allowed to retire from the service on the pension of one half the average monthly salary he has drawn during the last five years viz Rupees (45-9-10) Forty five Annas nine and Pice ten.
