From W. FISHER, Esq., Collector of NORTH CANARA,
dated Honore, 12th June 1860, No. 76.

With reference to the Board's orders on Petition No. 1,157 of 1860, I have the honor to state that the order passed by my predecessor was, in my opinion, unnecessarily severe, though, from what I know of the petitioner, I believe that it is high time that he should retire from the service, for the active duties of which he is now disqualified by age and infirmity. He ought to have been allowed to apply for pension last year, but there was a case before the Sub-Collector from which it was supposed, that a charge of evading the Board's orders, by clandestinely obtaining land in another person's name, might be eventually brought against the petitioner. Afterwards the division of the province into two districts put a stop to the intended proceeding, and the petitioner remained in charge of the Compta Custom House until Mr. Levinge's visit to the port, when his inability to answer questions regarding Custom House business, and what was supposed to be direct falsehood on his part regarding the posting of the Paumbem passage notice, led to his summary dismissal.

2. An application for pension will be submitted immediately.

Proceedings of Government
Data. 8 October 1880.

No. 4,893.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 25th October 1860.

Read Proceedings of the Madras Government, dated 3rd October 1860, No. 357, Public Department, requesting the Board to report the particulars of the case connected with the dismissal of Ramanaya, an official in the Sea Customs Department, North Canara.

(In Cons., 4th October 1860, No. 4,995.)

1. In reply to the above Proceedings, the Board have the honor to report that in the Return of Dismissals from North Canara, for the quarter ending 31st March 1860, Ramanaya was entered as dismissed from 1st February "for having told a deliberate falsehood before the Collector in denying the receipt of a certain Notification sent to him for publicity, and for having been found unfit from infirmity for the active discharge of any duty."

2. The peculiarity of this assigned reason, coupled with the probability of Mr. Levinge being unacquainted with the languages of the District, Concani being very generally spoken in the Northern part of Canara, and Hindustani when used, being scarcely intelligible to a stranger when spoken by a Concani man, induced the Board to call upon the Collector for a full report of the facts of the case, and to state whether he proposed to recommend the party for pension or gratuity.

3. A few days later an Appeal Petition from which it appeared that the falsehood charged was nothing more than a misunderstanding by the Petitioner of a question put by Mr. Levinge, relative to a notification of the depth of water in the Paumben channel, or else that Mr. Levinge misunderstood the Petitioner's reply, was forwarded to the Collector for report, "the Board not being satisfied from the papers submitted to them that there was sufficient cause for dismissing the Petitioner."

4. Mr. Fisher who had meanwhile succeeded From Collector, 12th, in Cons., 18th June 1860, No. 2,933. Mr. Levinge, replied to this order, stating his opinion that the order of his predecessor was unnecessarily severe, "inability to answer questions regarding Customs House business, and what was supposed to be direct falsehood regarding the posting of the Paumben passage notice" having led to Petitioner's summary dismissal, but that it was high time he should retire from the service, for the active duties of which age and infirmity disqualified him, and that an application for pension should be submitted immediately.

5. The Board intimated their approval of this intention, and their Proceedings were intended to act as cancelling Mr. Levinge's order of dismissal, so far as it convicted Petitioner of deliberate falsehood, and invalidated his claim to pension, which the Board trust may be admitted.
