Mr E. D'Silva Examiner in the Accountant General's Office, having applied to me for a Certificate on which to ground an application to Government for Pension:

I do hereby Certify that Mr E. D'Silva Examiner in the Accountant General's Office, appears to me to be disqualified, for the present, for the performance of his duties, from nervousness [redacted] and general debility of the System; but as his incapacity is not the result of old age, and as relaxation from duty is likely to improve his health I would recommend his transfer to the Pension Establishment for 12 months, at the expiration of which period, he should be required to appear before a Board of Medl Officers, in view to their determining whether he should be permanently continued on the Pension List, or return to his duty.

13/758

So far as I have been able to ascertain his incapacity has not been occasioned by intemperance or other irregular habits.—

Sir,

1. I have the honor to report, for the information of the Right Honorable the Governor in Council that I have received an application dated 2d. Instant from Mr. Eugene De Silva, an Examiner in this Office, for a Superannuation Pension, and he has submitted the accompanying original Medical Certificate,* granted to him by Dr. J. W. Mudge, Surgeon, 2d. District.

*Dated 29th June 1858

2. Dr. Mudge states that relaxation from duty is likely "to improve his health," and recommends his transfer to the Pension Establishment for a period of twelve months, at which time, he adds, Mr. De Silva "should be required to appear before

"before a Board of Medical Officers, in "view to their determining whether he should "be permanently continued on the Pension list "or return to his duty".

3. The Applicant has completed the prescribed period of service, to entitle him to Pension, I therefore beg to submit the Register of application in the usual form, accompanied by the list of his services, and to recommend that the Government will be pleased to sanction his retirement conditionally for twelve months, from the 15th instant, subject to confirmation agreeably to para 3 of the Extract Minutes of Consultation dated 2d July 1855 No. 175.

4. In calculating the average salary of the applicant, the full salary of acting appointments held by Mr. De Silva from 1st September 1853 to 20th September 1854 and from 19th January to 28th February 1856, has been taken in. During the former period, he performed the duties of Deputy Manager in the Revenue Department

2

Department and a remuneration of 30 Rs.× per Month was allowed him, under orders of Government conveyed in Extract Minutes of Consultation in the Public Department dated 13th October 1854. The Office in question was fully vacant in consequence of the former Incumbent having been dismissed. During the latter period, Mr. De Silva acted as Head Accountant in the Revenue Department, in the place of another person who was transferred to a minor post, and consequently he drew the full salary.-

No. 1068

5. According to the above calculation, the claim of Mr. De Silva would be to a Pension of Rupees 28-8-0 agreeably to the rules established for the Uncovenanted Service, but considering the nature of his services, I cannot admit his claim to the full benefit of the rules, which presuppose that the applicant has given perfect satisfaction to his superiors.- The amount of remuneration drawn by him for

× Being difference in between the salary of Deputy Manager Rups. 100, and that of Head Accountant, Rups. 70.

for the first period of his acting appointment, is therefore excluded from the calculation, and I beg to recommend that a Pension of Rupees 26-6-- may be granted to him.
