I do hereby certify that I have
carefully examined Narinah, Peishkar of
the Wandavash Talug, and am of opinion
that, from failing sight and bodily infirmity,
he is permanently disqualified for further
active service and that there is no likelihood
of his deriving any benefit either from
Medical treatment or relaxation from duty
for a period of twelve months.

I am further of opinion that
his present state of infirmity is from
natural causes and not the result of his
own indiscretion.

Acting Collector of Kachari

Chief Secretary to Government

Sir,

Fort St. George

* Rules dated
15th May 1851

With reference to the orders
of Government regarding the grant
of Superannuation Pensions to Un-
covenanted Servants, I have the honor
to forward for submission to the
Right Honorable the Governor in
Council the accompanying Register
of an application for Pension tendered
by Naranya, Pishkar of Wanda-
wash taluq.

2 Naranya's services
extended over a period of 32 years,
1 month and 7 days, of which however
7-7-19 were spent in a situation

which would not entitle the
applicant to Pension. The
net period of the applicant's service
is therefore ^{years 14 2/3} 24-5-17. They under
these circumstances to recommend
that a Pension equivalent to one
third of the average salary drawn
by him during the last five years
be granted to Naranga.

3 On reference to the enclosed
Register, it will be seen that there
is a break in Naranga's services
of one month and twenty four days,
or from 24th December 1857 to 18th February
1858. This is owing to the following
circumstances. Naranga having
been reported to Mr. Sullivan then
Sub Collector of this District to be
incapacitated from old age for
the efficient discharge of his duties

5.
was directed by that gentleman
to appear before him with a view
to being eventually pensioned. Having
appeared before Mr. Sullivan, Naranga
was directed to present himself
before the Garrison Surgeon at
Vélur, and produce the usual
certificate of physical disqualifi-
cation. This the Garrison Surgeon
declined to grant on the ground
that Naranga was still fit for
active service, and he was accord-
ingly appointed by Mr. Sullivan as
Rishtar of Wandavash Salug.

4 They to submit the medi-
cal certificate now granted to
Naranga by the Zila Surgeon at
Chittur.

I have the honor to be

Report of the Civil Auditor.

The Acting Civil Auditor has the honor to report that the authorized ^{Off^r} allowance drawn by Naranya, late a Peishkar of Mandarwash Talug on the Establishment of the Collector of North Arcot, for the last five years of his service, is Rupees 26-7-2 per mensem; and that his service entitling him to pension extends over a period of 24 years 5 months and 17 days, viz^t from 27th October 1827 to 31st October 1830, from 20th June 1838 to 23rd December 1857, and from 17th February 1858 to 20th January 1860.

Naranya was employed on a salary of 9½ Rupees per mensem for a period of 7 years 7 months & 19 days viz^t from 1st November 1830 to 19th June 1838, which period has been excluded from the above calculation.

He is eligible to one third pension.

The Acting ^{Civil} Auditor thinks it right to point out that his pay was lowered to 9½ Rupees owing to a general reduction of salaries, his appointment remaining the same: and that if he had been granted a medical Certificate in 1857 as desired by the Collector, the average regulating his Pension would have been larger viz^t 31-10-10, since on being refused a Certificate he was reappointed on a lower salary. It appears hard that he should lose by prolonging his service.
