I do hereby certify that I have

carefully examined Sutehmi Karasapa
Tasildar of the Satwaid Taluq and am of
opinion that from old age, failing sight and
bodily infirmity, he is permanently disqualified
for further active service and that, there is no
likelihood of his deriving any benefit either
from medical treatment or relaxation from
duty for a period of twelve months.

I am further of opinion that,
his present state of infirmity is from natural
causes and not the result of his own indis-
cretion.

* Rules dated 15th
May 1851.

Sir,
With reference to the orders of
Government regarding the grant of Superannuation
Pensions to uncovenanted servants, I have the honor
to forward for submission to the Honorable the
Governor in Council the accompanying Register of
an application for Pension tendered by Lachmina-
rasappa, Tahsildar of Satiavedu taluq -

2 Lachminarasappa's services extend
over a period of ^{years} 35 - ^{M.} 9 - ^{Dys} 15, of which however ^{ys} 6 - ^{M.} 8 - ^{Dys} 5
were spent in a situation which would not entitle
the applicant to Pension. The net period of the
applicant's services therefore is ^{ys} 29 - ^{M.} 1 - ^{Dys} 10. I beg
under these circumstances to recommend that a
Pension equivalent to one third of the average salary
drawn by him during the last five years be granted

to Lachminarasappa.

3 On reference to the enclosed Register, it will be seen that there is a break in the Applicant's service of ^{gss Mr. Dy.} 3-6-22. This is owing to the abolition of the appointments he held as therein shewn - The Applicant's services may therefore I apprehend under Para 113 Chapter III of the Civil Auditor's Manual be considered as continuous throughout.

4 Lachminarasappa would appear to have been degraded with the sanction of superior authority from the situation of Tahsildar of Polur talig to that of Police Amin of Ranipeta on the 28th May 1866. The punishment was inflicted for gross negligence in the execution of repairs to certain irrigation works in that talig -

5 I beg to submit herewith the Medical Certificate granted to Lachminarasappa by the Zila Surgeon at Chittur.

6 The delay in submitting this application has been occasioned by the difficulty in finding some of the old vernacular

Report of the Acting Civil Auditor.

The Acting Civil Auditor has the honor to report, that the Authorized Official allowance drawn by Luchminarasappa, late Tahsildar of Satiaveda Talug on the Establishment of the Collector of North Arcot, for the last five years of his service, has been Rupees 63-0-0 per mensem; and that his service under Government entitling to pension extends over a period of 29 years 1 month & 6 days; Viz: from 12th August 1820 to 9th September 1823, from 15th to 31st Jan^y 1827, from 18th April 1827 to 31st October 1830, & from 6th July 1837 to 11th December 1859.

The service rendered by Luchminarasappa from 1st November 1830 to 5th July 1837, that is 6 years & 8 months & 5 days, is excluded from the above calculation in consequence of his salary during that time being Rs. 9-8-0 per mensem.

The two periods from 10th September 1823 to 14th January 1827 & from 1st February to 17th April 1827 have likewise been excluded as Luchminarasappa was then out of employ which the Collector states was owing to the abolition of his appointments.

He is eligible to one third pension.

The Acting Civil Auditor thinks it right to point out that his pay was lowered to 9½ Rs. owing to a general reduction of salaries while his work remained the same, but for which he would have been eligible to half pension.
