The accompanying Memorandum exhibits the servitude of the applicant, as traced from the Records of this Office.- He is one of the six individuals who were thrown out of employ from 1st May 1860 by the reduction of the Establishment and on whose behalf an application for Pension was submitted on the 5th September last.- But the Civil Surgeon having then considered him fit for further service he was, under the Orders of Government dated 25th October 1860 No 396, re-employed on a Salary of 20 Rs from the 21st November last.- His constitution however has since undergone so marked a change for worse that he is wholly incapacitated for further service,- a fact fully borne out by the enclosed medical Certificate.- The Collector therefore recommends that a Pension of ⅓ of his Salary calculated on the average of 5 years ending with the time he was thrown out of employ viz. Rs 9-12-- may be granted to him; in consideration of his long and faithful service to the State.-	9-12-- Rs. Commencing from 1st April 1861	Malabar

Sir,

With reference to your Memo of the 20th instant I have the honor to refer you to my predecessor's report of 9th October last No. 319, in para 4 of which Vishanad Iyen's average salary & length of service are given with the amount of pension to which he is eligible.

I do not think that his subsequent service in the Rail Way & Stamp Departments should affect his pension. Besides the hardship of diminishing his allowance on account of longer service, such appointments ought not in my opinion to count to his disadvantage, because under no circumstances would they be permitted to reckon in his favour. The reason is that in the former

for

he was on an extra establishment, & in the latter, his salary was paid from commission.

I have the honor to be,
Sir,
Your most obed. Servt.
